CMMC-CCP Latest Dumps Pdf & Download CMMC-CCP Pdf

We have gained high appraisal for the high quality CMMC-CCP guide question and considerate serves. All content is well approved by experts who are arduous and hardworking to offer help. They eliminate banal knowledge and exam questions out of our

CMMC-CCP real materials and add new and essential parts into them. And they also fully analyzed your needs of CMMC-CCP exam dumps all the time. Our after sales services are also considerate. If you get any questions with our CMMC-CCP guide question, all helps are available upon request. Once you place your order this time, you will enjoy and experience comfortable and convenient services immediately. Besides, we do not break promise that once you fail the CMMC-CCP Exam, we will make up to you and relieve you of any loss. Providing with related documents, and we will give your money back. We have been always trying to figure out how to provide warranty service if customers have questions with our CMMC-CCP real materials. So all operations are conducted to help you pass the exam with efficiency.

Cyber AB Certified CMMC Professional (CCP) Exam Sample Questions (Q186-Q191):

NEW QUESTION # 186

Who is responsible for identifying and verifying Assessment Team Member qualifications?

- A. Lead Assessor
- B. CMMC-AB
- C. C3PAO
- D. CMMC Marketplace

Answer: A

Explanation:

Understanding the Role of the Lead Assessor in CMMC Assessments The Lead Assessor is responsible for managing the Assessment Team and ensuring that all team members meet the required qualifications as defined by the CMMC Accreditation Body (CMMC-AB) and the Cybersecurity Maturity Model Certification (CMMC) Assessment Process (CAP) Guide.

Lead Assessor's Key Responsibilities (Per CAP Guide)

Verify team member qualifications to ensure compliance with CMMC-AB guidelines.

Assign appropriate assessment tasks based on team members' expertise.

Ensure that the assessment is conducted in accordance with CMMC procedures.

Why Not the Other Options?

A). C3PAO (Certified Third-Party Assessor Organization) #Incorrect

A C3PAO is responsible for organizing assessments and ensuring their execution, but it does not verify individual team member qualifications—that responsibility belongs to the Lead Assessor.

B). CMMC-AB (CMMC Accreditation Body) #Incorrect

The CMMC-AB establishes training and certification requirements, but it does not verify individual assessment team members—that responsibility is given to the Lead Assessor.

D). CMMC Marketplace #Incorrect

The CMMC Marketplace lists authorized C3PAOs, Registered Practitioners (RPs), and Certified Professionals (CCPs) but does not verify assessment team qualifications.

CMMC Assessment Process (CAP) Guide- Defines the Lead Assessor's responsibility for verifying assessment team qualifications.

CMMC-AB Certification Guide- Specifies that the Lead Assessor must ensure all assessment team members meet CMMC-AB qualification standards.

Why the Correct Answer is "C. Lead Assessor"? Relevant CMMC 2.0 References: Final Justification: Since the Lead Assessor is responsible for verifying assessment team member qualifications, the correct answer is C.

Lead Assessor.

NEW QUESTION # 187

The Advanced Level in CMMC will contain Access Control {AC} practices from:

- A. Levels 1, 2, and 3.
- B. Level 3.
- C. Level 1.
- D. Levels 1 and 2.

Answer: A

NEW QUESTION # 188

During an assessment, the Lead Assessor reviews the evidence for each CMMC in-scope practice that has been reviewed, verified,

rated, and discussed with the OSC during the daily reviews. The Assessment Team records the final recommended MET or NOT MET rating and prepares to present the results to the assessment participants during the final review with the OSC and sponsor. As a part of this presentation, which document MUST include the attendee list, time/date, location/meeting link, results from all discussed topics, including any resulting actions, and due dates from the OSC or Assessment Team?

- A. Final log report
- **B. Final and recorded Daily Checkpoint log**
- C. Final and recorded OSC CMMC report
- D. Final CMMC report

Answer: B

Explanation:

Understanding the Final Review Process in a CMMC Assessment During a CMMC Level 2 Assessment, the Assessment Team and the Organization Seeking Certification (OSC) hold daily checkpoint meetings to discuss progress, review evidence, and ensure transparency.

At the end of the assessment, a final review meeting is conducted, during which the Lead Assessor presents the results. The recorded Daily Checkpoint log serves as the official document summarizing:

- * The attendee list
- * Time, date, and location of the final review
- * Final MET or NOT MET ratings for all practices
- * Discussion points, resulting actions, and due dates for both the OSC and Assessment Team
- * The CMMC Assessment Process (CAP) Guide specifies that all assessment findings and discussions must be documented throughout the assessment in daily checkpoint logs.
- * The Final and Recorded Daily Checkpoint Log includes all necessary details, such as attendee lists, discussion topics, and action items.
- * This document is used to ensure all discussed topics and agreed-upon actions are properly tracked and recorded before submission.
- * A. Final log report (Incorrect)
- * There is no specific "Final Log Report" required in CMMC assessments.
- * B. Final CMMC report (Incorrect)
- * The Final CMMC Report documents the overall assessment results but does not serve as the official meeting log for the final review discussion.
- * C. Final and recorded OSC CMMC report (Incorrect)
- * This document does not include detailed discussion points from the daily checkpoint meetings.
- * The correct answer is D. Final and recorded Daily Checkpoint log, as this is the official document that captures the final meeting details, discussions, and action items.

CMMC 2.0 Scoping and Assessment Guidelines

NEW QUESTION # 189

Which standard of assessment do all C3PAO organizations execute an assessment methodology based on?

- A. NIST SP 800-53A
- B. ISO 27001
- C. Government Accountability Office Yellow Book
- **D. CMMC Assessment Process**

Answer: D

Explanation:

Understanding the C3PAO Assessment Methodology A Certified Third-Party Assessment Organization (C3PAO) is an entity authorized by the CMMC Accreditation Body (CMMC-AB) to conduct official CMMC Level 2 assessments for organizations seeking certification.

C3PAOs must follow the CMMC Assessment Process (CAP), which outlines the assessment methodology for evaluating compliance. Evidence collection procedures (interviews, artifacts, testing). Assessment scoring and reporting requirements. Guidance for assessors on executing standardized assessments.

ISO 27001 (Option A) is an international standard for information security management but is not the basis for CMMC assessments. NIST SP 800-53A (Option B) provides security control assessments for federal systems, but CMMC assessments are based on

NIST SP 800-171.

GAO Yellow Book (Option D) is a government auditing standard used for financial and performance audits, not cybersecurity assessments.

CMMC Assessment Process (CAP) (Option C) is the correct answer because it defines how C3PAOs conduct CMMC assessments.

CMMC Assessment Process Guide (CAP)- Governs C3PAO assessment execution.

CMMC 2.0 Model Documentation- Requires C3PAOs to follow CAP procedures for assessments.

Key Requirement: CMMC Assessment Process (CAP) Why "CMMC Assessment Process" is Correct? Official References from CMMC 2.0 Documentation Final Verification and Conclusion The correct answer is C.

CMMC Assessment Process, as it is the official methodology all C3PAOs must follow when conducting CMMC assessments.

NEW QUESTION # 190

In the CMMC Model, how many practices are included in Level 2?

- A. 17 practices
- **B. 72 practices**
- C. 110 practices
- D. 180 practices

Answer: B

NEW QUESTION # 191
