NEW QUESTION # 214

You have a Microsoft 365 E5 subscription.

You create a new update rings policy named Policy1 as shown in the following exhibit.

Use the drop-down menus to select the answer choice that completes each statement based on the information presented in the graphic.

NOTE: Each correct selection is worth one point.

Answer:

Explanation:

Explanation

*Updates that contain fixes and improvements to existing Windows functionality can be deferred for 30 days.

This is because the update rings policy named Policy1 has the "Quality updates deferral period (days)" setting set to 30. This means that quality updates, which include fixes and improvements to existing Windows functionality, can be deferred for up to 30 days from the date they are released by Microsoft. After 30 days, the devices will automatically install the quality updates. References:

*Updates that contain new Windows functionality will be installed within 60 days of release.

This is because the update rings policy named Policy1 has the "Feature updates deferral period (days)" setting set to 60. This means that feature updates, which include new Windows functionality, can be deferred for up to 60 days from the date they are released by Microsoft. After 60 days, the devices will automatically install the feature updates.

NEW QUESTION # 215

You have a Microsoft 365 subscription that uses Microsoft Intune.

You need to ensure that you can deploy apps to Android Enterprise devices.

What should you do first?

- A. Add a certificate connector.
- B. Create a configuration profile.
- C. Configure the Partner device management settings.
- **D. Link your managed Google Play account to Intune.**

Answer: D

Explanation:

Connect your Intune account to your Managed Google Play account.

Managed Google Play is Google's enterprise app store and sole source of applications for Android Enterprise in Intune. You can use Intune to orchestrate app deployment through Managed Google Play for any Android Enterprise scenario (including personally-owned work profile, dedicated, fully managed, and corporate- owned work profile enrollments).
