

Valid HPE7-J02 Dumps Demo & HPE7-J02 Preparation

P.S. Free 2026 HP HPE7-J02 dumps are available on Google Drive shared by PassReview: <https://drive.google.com/open?id=1Wsmj1WqEAB2wkLCI2iYbEP6Yq11w8AdJ>

No matter who you are, I believe you can do your best to achieve your goals through our HPE7-J02 Preparation questions! For we have three different versions of HPE7-J02 exam materials to satisfy all your needs. The PDF version of HPE7-J02 practice guide can be printed so that you can take it wherever you go. And the Software version can simulate the real exam environment and support offline practice. Besides, the APP online can be applied to all kind of electronic devices.

As you can see that on our website, we have free demos of the HPE7-J02 study materials are freebies for your information. In case you are tentative about their quality, we give these demos form which you could get the brief outline and questions closely related with the HPE7-J02 Exam Materials. And it is quite easy to free download the demos of the HPE7-J02 training guide, you can just click on the demos and input your email than you can download them in a second.

Free PDF Quiz 2026 HP HPE7-J02 – Efficient Valid Dumps Demo

PassReview not only provide the products which have high quality to each candidate, but also provides a comprehensive after-sales

service. If you are using our HPE7-J02 products, we will let you enjoy one year of free updates. So that you can get the latest exam information in time. We will be use the greatest efficiency to service each candidate.

HP Advanced HPE Storage Integrator Solutions Written Exam Sample Questions (Q25-Q30):

NEW QUESTION # 25

Your customer has 2 Alletra 6000 arrays configured for asynchronous replication. The facilities team is planning grid maintenance in the datacenter hosting the source array. They want to proactively move all host I/O to the target array. Which action needs to be done on the Alletra group level to move the host I/O to the other datacenter?

- A. Promote
- B. Demote
- C. Handover
- **D. Failover**

Answer: D

NEW QUESTION # 26

Which statement is correct when deploying an HPE Zerto DR solution where an Extended Journal Copy is required with a one-year retention period?

- **A. HPE Zerto integrates with HPE StoreOnce to enable long-term retention for Extended Journal Copies.**
- B. HPE Zerto supports a maximum of 30-day retention and cannot exceed this period.
- C. An additional license is required to enable the Extended Journal Copy feature.
- D. Extended Journal Copies always come from the target site to avoid impact on the production site.

Answer: A

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

Zerto Extended Journal allows retention up to one year by integrating with secondary storage like HPE StoreOnce. Short-term journals (seconds to days) reside on primary replication storage, while long-term copies (weeks/months/years) are offloaded to StoreOnce for cost-efficient retention.

Distractors:

A: No separate license is required - it is a standard Zerto feature when integrated.

C: Extended Journals can be sourced from production or target, depending on setup; not "always" target.

D: Incorrect - Zerto supports >30 days retention with Extended Journal.

Key Concept: Zerto + HPE StoreOnce for long-term DR retention.

Reference: HPE Zerto with StoreOnce White Paper.

NEW QUESTION # 27

Your customer is beginning to convert their applications to cloud-native apps on Kubernetes. They are considering HPE GreenLake for Containers.

Which statement about this platform is true?

- A. Provides tools for orchestration of containers without microservices support.
- B. Supports only cloud-native applications.
- **C. Provides open-source Kubernetes with simplified management.**
- D. Supports legacy virtualization technologies with manual configuration for containers.

Answer: C

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

HPE GreenLake for Containers delivers an enterprise-grade Kubernetes platform, leveraging open- source Kubernetes but with simplified lifecycle management, monitoring, and integration with HPE infrastructure. It provides full support for containerized

workloads, whether cloud-native or modernized traditional applications.

Distractors:

A: Incorrect - not about legacy virtualization.

B: Incorrect - microservices are supported; orchestration is Kubernetes-native.

D: Incorrect - it supports both cloud-native and modernized workloads.

Key Concept: GreenLake for Containers = Kubernetes with simplified enterprise management.

Reference: HPE GreenLake for Containers Overview.

NEW QUESTION # 28

You are meeting with a customer who wants to replace their current file storage system. You plan to recommend HPE GreenLake for File Storage. The customer asks whether the solution can provide cross-protocol access to the same data using both NFS and SMB simultaneously.

What is the impact on your design?

- **A. HPE GreenLake for File Storage supports native cross-protocol access with NFS, SMB, and S3. You must enable both protocols per share**
- B. A 3rd-party SDS solution such as Qumulo or Scality should be discussed since the HPE GreenLake for File Storage does not support this
- C. This is perfectly possible with HPE GreenLake for File Storage by creating two file shares (one for each protocol) and setting up replication
- D. Two different IP pools are required, one for each access protocol. The virtual IP pool address enables cross-protocol functionality

Answer: A

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

HPE GreenLake for File Storage, powered by VAST Data software, natively supports cross-protocol access (NFS, SMB, and S3) to the same dataset. This means a file written via NFS can be accessed via SMB or S3 without replication. For cross-protocol access, both protocols must be enabled at the share/bucket level.

This is a core differentiator of HPE's GreenLake for File Storage solution.

Distractors:

A: Wrong, because GreenLake for File Storage already has native multi-protocol support - no need for 3rd party SDS.

C: Incorrect, as replication between separate shares is not required; it is a native capability.

D: Misleading - IP pools are used for load balancing and client connectivity, but not required to enable cross-protocol access.

Key Concept: Multi-protocol access in HPE GreenLake for File Storage (NFS/SMB/S3).

Reference: HPE GreenLake for File Storage Technical Overview, VAST Data Universal Storage white papers

NEW QUESTION # 29

A local startup company has grown rapidly and now needs block storage for enterprise workloads. They are virtualized with VMware and have a small IT staff. They are evaluating an HPE Alletra MP and a Pure FlashArray //X90R4.

Environment:

VMware 8.0

Cisco switches

Dell servers

HPE servers

What statement about HPE should you point out as a differentiator?

- A. HPE can natively tier data on a software-only deployment.
- **B. HPE provides full-stack visibility up to the app layer with prescriptive, actionable recommendations.**
- C. HPE has live workload migration via the ActiveWorkload feature, based on a stretch cluster.
- D. HPE has the ability to disable garbage collection and overhead to meet workload requirements.

Answer: B

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

HPE Alletra with InfoSight provides end-to-end visibility from infrastructure through to virtual machines and applications. It offers prescriptive, AI-driven recommendations to simplify management - a key differentiator for startups with small IT staff. Pure arrays do not offer the same level of integrated, cross-stack predictive analytics.

Distractors:

B: "ActiveWorkload" is not an HPE feature - HPE uses Peer Persistence for stretch clusters.

C: Garbage collection is managed automatically in HPE arrays; disabling it is not supported.

D: Data tiering is not natively provided as "software-only" - HPE uses GreenLake and Alletra services.

Key Concept: InfoSight = predictive analytics and app-to-infra visibility differentiator.

Reference: HPE InfoSight for Alletra Datasheet.

NEW QUESTION # 30

.....

Under the instruction of our HPE7-J02 exam torrent, you can finish the preparing period in a very short time and even pass the exam successful, thus helping you save lot of time and energy and be more productive with our Advanced HPE Storage Integrator Solutions Written Exam prep torrent. In fact the reason why we guarantee the high-efficient preparing time for you to make progress is mainly attributed to our marvelous organization of the content and layout which can make our customers well-focused and targeted during the learning process with our HPE7-J02 Test Braindumps. For example, you will learn how to remember the exam focus as much as possible in unit time and draw inferences about other cases from one instance.

HPE7-J02 Preparation: https://www.passreview.com/HPE7-J02_exam-braindumps.html

No special plugins or software installation is compulsory to attempt the web-based HP HPE7-J02 practice tests, HP Valid HPE7-J02 Dumps Demo You may be working hard day and night because the test is so near and you want to get a good result, PassReview offers valid exam book and valid exam collection help you pass the HPE7-J02 exam successfully, Furthermore, MS Edge, Internet Explorer, Opera, Safari, Chrome, and Firefox support the web-based HP HPE7-J02 practice test of PassReview.

Introduction to Computer Security, Even if HPE7-J02 you are employed, you still need to learn many other things in order to keep your job, No special plugins or software installation is compulsory to attempt the web-based HP HPE7-J02 Practice Tests.

Pass Guaranteed Quiz 2026 Authoritative HPE7-J02: Valid Advanced HPE Storage Integrator Solutions Written Exam Dumps Demo

You may be working hard day and night because the test is so near and you want to get a good result, PassReview offers valid exam book and valid exam collection help you pass the HPE7-J02 exam successfully.

Furthermore, MS Edge, Internet Explorer, Opera, Safari, Chrome, and Firefox support the web-based HP HPE7-J02 practice test of PassReview, After you buy the PDF version New HPE7-J02 Study Guide of our study material, you will get an E-mail form us in 5 to 10 minutes after payment.
