Free PDF Workday-Pro-Talent-and-Performance - Pass-Sure Reliable Workday Pro Talent and Performance Exam Exam Tips

All Workday-Pro-Talent-and-Performance learning materials fall within the scope of this exam for your information. The content is written promptly and helpfully because we hired the most professional experts in this area to compile the Workday-Pro-Talent-and-Performance Preparation quiz. And our experts are professional in this career for over ten years. Our Workday-Pro-Talent-and-Performance practice materials will be worthy of purchase, and you will get manifest improvement.

Workday Pro Talent and Performance Exam Sample Questions (Q26-Q31):

NEW QUESTION # 26

Refer to the following scenario to answer the question below.

Your organization is initiating employee reviews. There are several objectives for these reviews, including:

- * Setting goals and reviewing them quarterly.
- * Checking in with the new hire at 90 days.
- * Annually reviewing performance.
- * Performing multi-rater reviews.

The New Hire 90 Day Check-In template has several sections, including Questions and Overall. As an administrator, you want to schedule this process to route to all new hires each month.

What Employee Review Template configuration restricts the template to only new hires after 90 days?

- A. Review Type
- **B. Applies to**
- C. Layout Override
- D. Period Start Date/Period End Date

Answer: B

Explanation:

- * The Applies To field on the Employee Review Template determines which population is eligible for the review.
- * To restrict the 90-Day Check-In template so that it only applies to new hires after 90 days, you configure the Applies To criteria accordingly (e.g., based on hire date relative to review launch date).
- * Incorrect options:
- * Review Type# categorizes reviews (annual, quarterly, etc.), but does not restrict worker population.
- * Period Start/End Dates# define review timeframe, not eligibility rules.
- * Layout Override# controls template layout, not applicability.

References:

Workday Employee Review Template configuration guide.

Workday Pro Talent & Performance exam prep: "Use Applies To to restrict review templates to new hires after 90 days."

NEW QUESTION # 27

An enterprise wants to create their own list of skills and use them as search facets in reports.

What type of skills can they create to accomplish this?

- A. Crowdsourced skills
- **B. Maintained skills**
- C. Synonymous skills
- D. Skills Cloud skills

Answer: B

Explanation:

Comprehensive Detailed Explanation

* Enterprises can create Maintained Skills—custom-defined skills that are stored and searchable in their tenant.

* These can also be configured as search facets in reports, supporting custom analysis.

* Incorrect options:

* Skills Cloud skills# Workday-delivered universal ontology, not customer-specific.

* Crowdsourced skills# skills suggested by workers, not controlled enterprise lists.

* Synonymous skills# system-recognized synonyms, not customer-defined lists.

References:

Workday Skills Configuration documentation: Maintained skills can be created for tenant-level use in searches and reports.

NEW QUESTION # 28

An organization has recently started the talent review process. A manager wants to take action on assigned tasks, while also viewing the team's current performance ratings and potential assessments.

What report would allow the manager to do so?

- A. My Team's Performance Reviews report
- B. Employee Review Status Summary report
- **C. Talent Review Status Summary report**
- D. Talent Snapshot report

Answer: C

Explanation:

* The Talent Review Status Summary report provides managers with visibility into their team's current performance ratings, potential assessments, and status within the talent review cycle.

* It also allows them to take action on assigned tasks during the process.

* Incorrect options:

* A. Employee Review Status Summary # shows progress of performance reviews, not talent reviews.

* C. My Team's Performance Reviews # focused only on performance review tasks.

* D. Talent Snapshot # shows detailed worker profiles, not task/action tracking in talent reviews.

Workday Pro Talent Review training content.

NEW QUESTION # 29

A manager wants to request feedback about a worker.

They select a locked feedback template to initially populate questions. What can the manager do?

- A. The manager may add a question from a bank of previously written questions.
- **B. The manager may only use the default questions.**
- C. The manager may add additional new questions.

- D. The manager may edit the defaulted questions to better meet their requirements.

Answer: B

Explanation:

- * Feedback templates in Workday can be delivered as locked or editable.
- * A locked feedback template ensures consistency across the organization, meaning the manager cannot add, edit, or delete questions.
- * Only the default questions included in the template may be used.
- * Options A, C, and D would apply if the template were editable, but they are not possible in a locked template.

References:

Workday Feedback configuration documentation.

Workday Pro Talent & Performance certification study material: "Locked templates prevent managers from adding or editing questions. Only the delivered questions are used."

NEW QUESTION # 30

You are assigning competencies to objects in Workday.

When Workday defines the target proficiency level for a worker, what source takes precedence?

- **A. Position**
- B. Job Profile
- C. Management Level
- D. Job Family

Answer: A

Explanation:

- * Competencies can be assigned to multiple objects: job profiles, job families, positions, or management levels.
- * When determining a worker's target proficiency level, Position takes precedence over all other sources.
- * Order of precedence: Position > Job Profile > Job Family > Management Level.
- * This allows organizations to define competencies at higher levels (family, profile) but override them at the position level if necessary.

References:

Workday Talent & Performance competency framework documentation.

Workday Pro training guide: "Position overrides job profile, job family, and management level when determining a worker's target proficiency level."

NEW QUESTION # 31

.....
