問題 #71

Which of the following describe the governance responsibilities of a P3O model?

1. Provides the governance and control backbone for an organization's change initiatives
2. Provides a single source for all data relating to the organization's change initiatives
3. Implements rules for decision-making relating to programmes and projects
4. Makes decisions on behalf of the main board

- A. 1,2,3
- B. 1,3,4

- C. 1,2,4
- D. 2,3,4

答案： A

解題說明：

The P3O Foundation (2013) manual outlines that a P3O's governance responsibilities include providing the backbone for change initiatives, a single data source, and decision-making rules. Section 2.1.2 states, "The P3O model provides the governance and control backbone, a single source of data, and implements rules for decision-making to support portfolios, programmes, and projects." However, it does not make decisions on behalf of the main board (4), which remains a senior management function. The 2013 edition emphasizes P3O's supportive governance role, ensuring alignment and consistency without usurping authority. Options B, C, and D include the incorrect fourth element, making A the accurate choice. This framework enhances organizational change management.

問題 #72

Who, as a minimum, should review the resourcing of a Programme Office whilst it is running?

- A. Head of P3O and P3O Sponsor
- B. P3O Sponsor and Portfolio Analyst
- C. Head of COE and Programme Specialist
- D. Head of Programme Office and Programme Manager of the relevant programme

答案： D

解題說明：

The minimum review of a Programme Office's resourcing during operation involves the Head of Programme Office and the relevant Programme Manager, according to the P3O Foundation (2013) manual. Section 3.5.4 states, "The Head of Programme Office, in collaboration with the Programme Manager, is responsible for reviewing and adjusting resource allocation during the programme lifecycle." This ensures operational oversight and alignment with programme needs. Involving the Head of P3O and Sponsor (A), P3O Sponsor and Portfolio Analyst (C), or Head of COE and Programme Specialist (D) exceeds the minimum requirement, as their roles are more strategic or supportive. The 2013 guidance emphasizes this direct accountability to maintain efficiency and responsiveness in resource management.

問題 #73

Which is a characteristic of the Vision Statement?

- A. Links the P3O model to achievement of business goals
- B. Defines how to deliver the P3O model
- C. Documents detailed processes for the P3O
- D. Describes the current state

答案： A

解題說明：

The P3O Foundation (2013) manual defines the Vision Statement as linking the P3O model to business goals. Section 4.3.2 states, "The Vision Statement articulates the future state of the P3O and links it directly to the achievement of the organization's business goals, providing a strategic foundation for implementation." This differs from describing the current state (A), which is part of the baseline assessment, defining delivery methods (B), which is the Blueprint's role, or documenting processes (D), which occurs later. The 2013 edition emphasizes this strategic linkage to ensure alignment with organizational objectives, guiding the P3O's development. This focus supports effective change management and resource allocation.

問題 #74

Which of the following statements about how a P3O should integrate with the wider organization are true?

1. Operates independently of other functions within the organization
2. Typically relies on dedicated full-time resources to provide financial functions needed

- A. Only 2 is true
- B. Only 1 is true
- C. Both 1 and 2 are true
- D. Neither 1 or 2 is true

答案： D

解題說明：

The P3O Foundation (2013) manual indicates that a P3O should not operate independently nor rely solely on dedicated full-time resources for financial functions, making both statements false. Section 5.1.2 states, "The P3O model should integrate seamlessly with existing organizational functions, leveraging shared resources and aligning with corporate governance." Independence (1) is impractical as P3O relies on collaboration, while financial functions (2) are typically supported by existing organizational structures rather than dedicated P3O resources (Section 7.2). The 2013 edition emphasizes integration and resource sharing to enhance efficiency, contradicting both options. Thus, D is correct, ensuring the P3O complements rather than duplicates organizational capabilities, supporting a cohesive change management framework. Reference: P3O Foundation (2013) manual, Sections 5.1.2 and 7.2, AXELOS.

問題 #75

Which is a COE function or service?

- A. Support delivery of a specific programme
- B. Align projects to strategy
- C. Provide capacity planning
- D. Support PPM tools

答案： D

解題說明：

The P3O Foundation (2013) manual identifies supporting PPM tools as a COE function. Section 5.3.4 states, "The Centre of Excellence (COE) provides functions such as supporting PPM tools to ensure consistency and maturity in project, programme, and portfolio management." This differs from programme delivery (B), capacity planning (C), or strategic alignment (D), which are handled by other offices. The 2013 edition emphasizes the COE's role in standardizing tool usage, enhancing organizational PPM capability. This supports consistent practice across the P3O model. Reference: P3O Foundation (2013) manual, Section 5.3.4, AXELOS.
