Salesforce Certified Slack Consultant Sample Questions (Q13-Q18):

NEW QUESTION # 13

A company is about to start migrating to Slack. What is the most effective communication strategy to announce this change to the employees?

- A. Postpone all communication until the migration is complete to avoid confusion
- B. Send a single, detailed email a day before the migration starts, explaining the switch to Slack
- C. Develop a clear communication plan that outlines the migration timeline, benefits of Slack, and available training resources
- D. Rely solely on department heads to inform their teams about the migration to Slack

Answer: C

Explanation:

Developing a clear and comprehensive communication plan is crucial. It should inform employees about the migration timeline, explain the benefits of moving to Slack, and detail the resources available for training and support. This approach ensures employees are well-informed and can prepare for the transition.

NEW QUESTION # 14

A company is reorganizing its Slack workspace to improve communication. What best practice should they follow for channel creation to enhance team collaboration and information flow?

- A. Utilize only direct messaging for specific conversations to avoid creating too many channels
- B. Establish channels for broad topics and encourage the use of threads for detailed discussions within these channels
- C. Create a large number of channels for every conceivable topic to ensure comprehensive coverage
- D. Allow each team member to create channels at will without any specific guidelines or structure

Answer: B

Explanation:

Establishing channels for broad topics and using threads for detailed discussions helps maintain organized and focused communication. It prevents channel clutter while allowing in-depth conversations without losing the context.

NEW QUESTION # 15

A healthcare organization using Slack needs to comply with HIPAA regulations. What is the best practice for approving apps in their Slack workspaces?

- A. Permit only apps developed by the healthcare organization itself
- B. Allow all healthcare-related apps without specific approval
- C. Automatically approve apps that claim HIPAA compliance
- D. Implement a review process for apps to ensure they meet HIPAA compliance standards

Answer: D

Explanation:

A review process allows the organization to verify that each app adheres to HIPAA compliance standards, ensuring patient data is handled securely.

NEW QUESTION # 16

An Org Owner wants to assess the effectiveness of their teams' communication within Slack to improve productivity. Which feature of the Slack analytics dashboard should they primarily use to get insights into team communication patterns?

- A. Active channels and their engagement levels
- B. Frequency of Slack app integrations used

- C. Total number of Slack messages sent company-wide
- D. The number of files shared in channels

Answer: A

Explanation:

Analyzing active channels and their engagement levels provides valuable insights into how teams are communicating, highlighting which channels are most effective and potentially identifying areas for improvement.

NEW QUESTION # 17

When considering best practices in Slack grid design for a multinational corporation, what element is critical to include for effective communication across different regions?

- **A. Incorporating region-specific channels to address the unique needs and time zones of each region**
- B. Avoiding the creation of any region-specific channels to encourage a unified global communication approach
- C. Focusing solely on the aesthetic customization of Slack to align with the company's brand
- D. Limiting the number of channels to prevent potential language barriers

Answer: A

Explanation:

For a multinational corporation, a critical element in grid design is to include region-specific channels. This approach addresses the unique needs and time zone differences of each region, facilitating more effective and contextually appropriate communication.
