## CISI UAE Financial Rules and Regulations Exam Sample Questions (Q22-

## Q27):

### NEW QUESTION # 22

The last trading day for an India Gold Quanto Futures contract is:

- A. two business days prior to the last business day of the delivery month
- B. one business day prior to the last business day of the delivery month
- C. four business days prior to the 25th calendar day of the delivery month
- D. the 25th calendar day of the delivery month

**Answer: A**

Explanation:

For India Gold Quanto Futures contracts, the last trading day is defined as two business days prior to the last business day of the delivery month. This rule ensures that there is adequate time for the settlement and adjustment of any open positions before the final day of trading. The two-day buffer also allows for the reconciliation of positions, making the futures market more efficient and reducing the likelihood of disputes regarding settlement. This is in line with global standards for futures contracts where the settlement and final trading days are clearly defined to protect market integrity and investor interests.

### NEW QUESTION # 23

If a Special Purpose Acquisition Company fails to complete a business combination, measures to return the funds to investors must be taken within what maximum number of business days?

- A. 0
- B. 1
- C. 2
- D. 3

**Answer: D**

Explanation:

Under CISI UAE Financial Rules and Regulations, if a Special Purpose Acquisition Company (SPAC) does not complete a business combination within the stipulated timeframe, it must initiate measures to return the funds to investors within a maximum of 20 business days. This safeguard ensures that investors are not indefinitely exposed to risks related to unutilized capital in the SPAC, maintaining market discipline and investor protection. The regulations mandate clear timelines for fund returns to prevent misuse or undue delay, aligning with international SPAC best practices. Timely fund returns uphold investor confidence and market integrity, essential in the UAE's evolving financial landscape.

### NEW QUESTION # 24

A fund manager is considering investing in medium-term bonds, commercial papers, and deposit certificates.

Under the regulations, which of these can be held under a cash investment fund?

- A. Medium-term bonds, commercial papers and deposit certificates
- B. Medium-term bonds and commercial papers only
- C. Commercial papers and deposit certificates only
- D. Deposit certificates and medium-term bonds only

**Answer: C**

Explanation:

CISI UAE Financial Rules and Regulations define that cash investment funds may hold commercial papers and deposit certificates only. Medium-term bonds are typically excluded from cash funds as they have longer maturities and more interest rate risk, which conflicts with the liquidity and capital preservation objectives of cash funds. Commercial papers and deposit certificates, with their shorter maturities and high liquidity, are appropriate instruments for cash funds, providing stable, low-risk returns in line with regulatory requirements.

## NEW QUESTION # 25

What is the minimum fine that can be levied on a person found guilty of financing an illegal organisation?

- A. AED 150,000
- B. AED 200,000
- C. AED 250,000
- D. AED 300,000

**Answer: A**

Explanation:

Under Federal Law No. 20 of 2018 and relevant CISI UAE Financial Rules and Regulations, the minimum fine imposed on a person convicted of financing an illegal organisation is AED 150,000. This penalty underscores the seriousness with which the UAE treats the crime of funding illegal or terrorist entities.

Alongside financial sanctions, convicted individuals may face imprisonment and other legal consequences.

These stringent penalties are part of the UAE's commitment to combating terrorism financing and protecting national and international security.

## NEW QUESTION # 26

Which of the following is one of the prescribed financial activities for which the Authority can issue a license?

- A. Risk management
- B. Promotion
- C. Analysis
- D. Corporate planning

**Answer: A**

Explanation:

Under CISI UAE Financial Rules and Regulations, risk management is among the prescribed financial activities for which the Securities and Commodities Authority (SCA) issues licenses. Licensing ensures that entities engaging in financial risk assessment and mitigation services meet regulatory standards related to expertise, governance, and compliance. Activities such as analysis, promotion, and corporate planning are not independently licensable financial activities but may be ancillary functions within licensed firms. The licensure of risk management activities supports market stability and investor protection by formalizing oversight of critical financial functions.
