問題 #59

Which of the following is the best way for a person to gain the job experience needed in a particular area?

- A. Networking with friends and family
- B. Researching employment websites
- C. Visiting an employment agency
- **D. Finding and obtaining an internship**

答案：D

解題說明：

Internships provide hands-on, practical experience in a specific field, directly contributing to skill development and job readiness.

Option B (employment agency) focuses on job placement, not experience.

Option C (networking) helps with connections but not direct experience. Option D (researching websites) provides information, not experience. This question is part of the Communication and Career Development category, emphasizing career preparation.

問題 #60

Which of the following best describes the law governing the use of copyrighted materials in the classroom and the teacher's responsibility in using these materials?

- A. Materials found on the Internet are not covered by copyright laws and may be used as teachers consider appropriate.
- **B. Teachers must assume that materials found on the Internet are copyrighted and should apply their district's fair-use guidelines.**
- C. Teachers may use unpublished materials as they consider appropriate.
- D. Teachers in public educational institutions have unlimited use of copyrighted materials.

答案：B

解題說明：

Teachers must assume Internet materials are copyrighted and apply fair-use guidelines, which allow limited use for educational purposes, considering factors like purpose and amount used. Option A is incorrect, as use is not unlimited. Option B is incorrect, as unpublished materials still have copyright protections. Option C is incorrect, as Internet materials are typically copyrighted. This question aligns with the Business Law category, emphasizing copyright law in education.

問題 #61

A student is daydreaming about weekend plans instead of listening to a lesson. When the teacher calls upon the student to answer a question, the student cannot recall the content taught. Which of the following types of communication barriers is primarily affecting the student's listening ability?

- A. Physical
- B. External
- **C. Internal**

- D. Attitudinal

答案： C

解題說明：

Internal barriers to communication arise from within the individual, such as distractions or lack of focus.

Daydreaming about weekend plans is an internal distraction, preventing the student from listening effectively.

Option A (external) refers to outside distractions, like noise. Option C (physical) involves environmental factors, like distance or hearing issues. Option D (attitudinal) relates to biases or attitudes, not daydreaming.

This question aligns with the Communication and Career Development category, emphasizing listening skills.

問題 #62

Which of the following actions provides the best advantage for an international high-tech business over its global competitors?

- A. Using developments created from research
- B. Applying concepts of planned economies
- C. Paying ad valorem tariffs
- D. Enacting currency controls

答案： A

解題說明：

An international high-tech business gains a competitive advantage by leveraging research and development (R&D) to create innovative products or processes, differentiating itself in the market. Option A (paying tariffs) increases costs, not advantages.

Option B (currency controls) is a government policy, not a business action. Option C (planned economies) restricts market-driven innovation. This question aligns with the Economics category, emphasizing competitive strategies.

問題 #63

Which of the following doctrines entitles a teacher to use portions of copyrighted material?

- A. Common use
- B. Professional use
- C. Fair use
- D. Acceptable use

答案： C

解題說明：

The fair use doctrine allows limited use of copyrighted material without permission for purposes like education, criticism, or research, provided factors like purpose, amount, and market impact are considered.

Option B (acceptable use) refers to policies for technology use, not copyright. Option C (professional use) and Option D (common use) are not legal doctrines. This question falls under the Business Law category, emphasizing intellectual property law.
