

# Try These Juniper JN0-452 DUMPS and Get Certification

P.S. Free & New JN0-452 dumps are available on Google Drive shared by TopExamCollection: <https://drive.google.com/open?id=1H67up2zxKqxFar0ITZogS-RQU-uVl8Vb>

Do you want to pass JN0-452 exam easily? JN0-452 exam training materials of TopExamCollection is a good choice, which covers all the content and answers about JN0-452 exam dumps you need to know. Then you can master the difficult points in a limited time, pass the JN0-452 Exam in one time, improve your professional value and stand more closely to success.

Our JN0-452 training guide always promise the best to service the clients. Carefully testing and producing to match the certified quality standards of JN0-452 exam materials, we have made specific statistic researches on the JN0-452 practice materials. And the operation system of our JN0-452 practice materials can adapt to different consumer groups. Facts speak louder than words. Through years' efforts, our JN0-452 exam preparation has received mass favorable reviews because the 99% pass rate is the powerful proof of trust of the public.

>> JN0-452 Guaranteed Passing <<

## Key JN0-452 Concepts, Valid JN0-452 Test Dumps

One of our outstanding advantages is our high passing rate, which has reached 99%, and much higher than the average pass rate among our peers. Our high passing rate explains why we are the top JN0-452 prep guide in our industry. One point does farm work one point harvest, depending on strength speech! The source of our confidence is our wonderful JN0-452 Exam Questions. Passing the exam won't be a problem as long as you keep practice with our JN0-452 study materials about 20 to 30 hours.

## Juniper Mist AI Wireless, Specialist (JNCIS-MistAI-Wireless) Sample Questions (Q109-Q114):

### NEW QUESTION # 109

The "Roaming" SLE is red for a user.  
What does this indicate?

- A. The user's device is frequently disconnecting and reconnecting to the same AP.
- B. The user's device is not authorized to be on the network.
- C. The user's device is failing to successfully move its connection from one AP to another.
- D. The user is moving too fast for the location services to keep up.

**Answer: C**

#### NEW QUESTION # 110

Click the Exhibit button.

Referring to the exhibit, what is the meaning of the AI VALIDATED status update?

- A. The issue was opened and is unresolved.
- B. The issue was opened and Marvis has closed it.
- C. The issue was opened and closed manually.
- D. The issue was opened and Marvis confirms it has been closed.

**Answer: D**

Explanation:

The AI VALIDATED status update means that the issue was opened and Marvis confirms it has been closed.

According to the Marvis Virtual Network Assistant Datasheet1, the AI-VALIDATED status update means that the issue was opened and Marvis confirms it has been closed. This status indicates that Marvis has verified that the issue is no longer present and the root cause has been resolved.

#### NEW QUESTION # 111

An administrator needs to configure a redundant and load-balanced tunneled wireless solution for a large campus that spans multiple buildings. The design requires that APs in one building ('Site- A') prefer to tunnel to a Mist Edge in that same building, while APs in another building ('Site-B') prefer to tunnel to a different Mist Edge in their building. However, if an Edge in one building fails, APs should be able to fail over to the Edge in the other building.

How should this be designed using the Mist architecture? (Select all that apply.)

- A. Create a Device Profile for Site-B APs that applies Tunnel-B.
- B. Use anchor tunneling between the two Mist Edge appliances.
- C. Create one Mist Cluster for Site-A's Edge and a separate Mist Cluster for Site-B's Edge.
- D. Configure two Mist Tunnels. Tunnel-A will have Site-A-Cluster as primary and Site-B-Cluster as secondary. Tunnel-B will have the reverse.
- E. Place all Mist Edge appliances into a single organization-level cluster.
- F. Create a Device Profile for Site-A APs that applies Tunnel-A.

**Answer: A,C,D,F**

#### NEW QUESTION # 112

According to the 802.11 standard, how wide are 2.4 GHz band OFDM channels?

- A. 20 MHz
- B. 5 MHz
- C. 3 MHz
- D. 22 MHz

**Answer: A**

Explanation:

Reference: [https://www.cnrood.com/en/media/solutions/Wi-Fi\\_Overview\\_of\\_the\\_802.11\\_Physical\\_Layer.pdf](https://www.cnrood.com/en/media/solutions/Wi-Fi_Overview_of_the_802.11_Physical_Layer.pdf) According to the 802.11 standard, OFDM channels in the 2.4 GHz band are 20 MHz wide.

According to the Lecture 3 - Radio Frequency and Antenna Fundamentals - Part 2 document2, OFDM channels in the 2.4 GHz band are 20 MHz wide according to the 802.11 standard.

### NEW QUESTION # 113

An administrator is configuring a new Mist Edge appliance. They are presented with the following options for configuring the data ports: "Single Arm" and "Dual Arm (Separate Upstream and Downstream Traffic)".

Tunnel Interface Configuration

Separate Upstream and Downstream Traffic

...

Interface Upstream/Downstream

xe0

xe1

...

If the administrator selects "Single Arm" and checks multiple interfaces (e.g., xe0 and xe1), what protocol is automatically enabled on the corresponding switch ports to bundle these physical links into a single logical link?

- **A. Link Aggregation Control Protocol (LACP)**
- B. Virtual Router Redundancy Protocol (VRRP)
- C. Spanning Tree Protocol (STP)
- D. Open Shortest Path First (OSPF)

**Answer: A**

### NEW QUESTION # 114

.....

Hundreds of applicants who register themselves for the Mist AI Wireless, Specialist (JNCIS-MistAI-Wireless) (JN0-452) certification exam, lack updated practice test questions to prepare successfully in a short time. As a result of which, they don't crack the Mist AI Wireless, Specialist (JNCIS-MistAI-Wireless) (JN0-452) examination which causes a loss of time and money and sometimes loss of the encouragement to take the test for the second time. TopExamCollection can save you from facing these issues with its real Juniper JN0-452 Exam Questions.

**Key JN0-452 Concepts:** <https://www.topexamcollection.com/JN0-452-vce-collection.html>

Besides, the JN0-452 answers are all accurate which ensure the high hit rate, The best part of TopExamCollection Key JN0-452 Concepts's dumps is their relevance, comprehensiveness and precision, The high quality of our JN0-452 preparation materials is mainly reflected in the high pass rate, because we deeply know that the pass rate is the most important, Juniper JN0-452 Guaranteed Passing By actually simulating the real test environment.
