## PRINCE2 Practitioner Exam Sample Questions (Q42-Q47):

### NEW QUESTION # 42

Additional Information

Extract from the Communication Management Strategy.

The project information in the table below is true, but it may not be recorded under the correct heading or be in the correct document.

Using the Project Scenario, select the appropriate response to each of the following 5 questions which have been raised by the Project Board.

The project is now at the end of the initiation stage. Having decided that the Calendar project is a relatively simple project, the Project Manager combined the Starting Up a Project process and the Initiating a Project process. No Project Brief has been produced. Instead the Project Manager used the project mandate to produce a simple Project Initiation Documentation (PIO). The PIO includes the Business Case, a product checklist and several Product Descriptions, Including the Project Product Description. Short sections are also included for each of the strategies and the controls to be applied. The Project Manager has elected to use the Daily Log to record all risks, issues, lessons and quality results.

After the initiation stage there will be two further stages during which a small number of Work Packages will be authorized. While these are being managed, the Project Manager will hold regular checkpoints, which will support the production of weekly Highlight Reports to the Project Board.

This question provides a number of changes which may or may not be required to the Extract from the Communication Management Strategy provided in the additional information.

Which statement applies to the Stakeholder analysis: Interested parties section?

- A. Delete entry 11 because the photographer is internal to the project management team.
- B. **Add 'Internal Creative Team'.**
- C. Delete entry 12 because the printing of the calendars is outside of the scope

**Answer: B**

### NEW QUESTION # 43

Additional Information Product Description

Quality notes from the Daily Log

The Director of Information Technology Division (DIT) has been asked to ensure that any changes to the outsourced staff employment contracts adhere to employment law. The DIT will review future job descriptions of the transferred staff before the final contract is signed with the selected service provider.

The service level agreement between MFH and the selected service provider will specify the type and quality of service required. The selected service provider must follow the industry standards for providing outsourced services.

MFH has a quality management system which contains a document control procedure for all its documentation, however this does not include change management.

All project documents will be subject to a quality review. Nominated products will require a formal approval record signed-off by the quality review chair.

Extract from the draft Quality Management Strategy (may contain errors)

Introduction

1. This document defines the approach to be taken to achieve the required quality levels during the project.
2. The Project Board will have overall responsibility for the Quality Management Strategy.
3. Project Assurance will provide assurance on the implementation of the Quality Management Strategy.

Quality management procedure - Quality standards

4. The selected service provider will operate to industry standards for providing outsourced services.
5. MFH document standards will be used.

Records

6. A Quality Register will be maintained to record the planned quality events and the actual results from the quality activities.
7. Configuration Item Records will be maintained for each product to describe its status, version and variant.
8. Approval records for products that require them will be stored in the quality database. Roles and responsibilities
9. The DIT will check that the employment contracts for outsourced staff adhere to employment law.

10.

Team Managers will provide details of quality checks that have been carried out.

11.

Team Managers will ensure that the Quality Register is updated with the names of team members who are involved in the review process.

12.

The Senior User will review the Product Descriptions of the products to be produced by the selected service provider to ensure that they can be achieved.

Which statement applies to the Roles and responsibilities section?

- A. Delete entry 9 because this should only be recorded in the Product Description.
- B. **Amend entry 12 because this is the responsibility of supplier assurance.**
- C. Delete entry 11 because only the Project Manager can update the Quality Register.
- D. Delete entry 10 because this is the responsibility of the quality review chair.

**Answer: B**

#### **NEW QUESTION # 44**

Towards the end of stage 2, the stage 3 plan is being prepared. This includes the work required to promote the new courses to other training companies. In addition to the current ways of marketing the courses, the Sales Director wants to advertise in trade magazines. The likely costs involved and the opportunities it may bring have been identified.

As part of the 'update the project plan' activity, what should the project manager be responsible for?

- A. Recording changes to ABC Company risk appetite as a result of using the magazine advertisements.
- B. Creating the product description, with detailed quality criteria, for the magazine advertisements.
- C. Recording the effect of implementing the magazine advertisements on the overall time and cost of the project.
- D. **Creating time and cost tolerances for the delivery of the magazine advertisements.**

**Answer: D**

#### **NEW QUESTION # 45**

Additional Information

□ Further information on some resources who could be involved in the project:

Outcome Account Manager: He represents Outcome which is a recruitment agency that provides specialist outsourcing resources. Outcome provided the consultants who carried out the feasibility study and the same consultants will be providing support and guidance to the Information Technology and Facilities teams during the project.

Director of Finance Division: She was transferred from the Information Technology Division 12 months ago.

She is responsible for ensuring a cost-conscious approach is adopted in all operational and project activities across the Ministry of Food Hygiene.

Hardware Manager: Reports to the Director of Information Technology. He provides computer hardware to all business functions but has little awareness of the needs of his colleagues working in software.

Payroll Manager: Reports to the Director of Finance. He is a very experienced and efficient qualified accountant who has much of the responsibility of running the Finance Division on behalf of the Director of Finance. He has been involved in drafting the Ministry's business strategy and assisting in a full business risk assessment. He also drafted the corporate Business Case standards.

Using the Project Scenario and the additional information provided for this question in the Scenario Booklet, answer the following question about roles on the Outsourcing project.
