問題 #170

The act of an official or fiduciary person who unlawfully and wrongfully uses his station or character to procure some benefit, contrary to duty and rights of others is called:

- A. Overbilling
- B. Bribery
- C. Conflict of interest
- **D. Corruption**

答案： D

問題 #171

Which of the following scenarios describes a card skimming or shimming scheme?

- **A. While processing a payment concealed from the customer's view, a retail employee uses a small device to scan and record the customer's payment card information.**
- B. None of the above.
- C. After processing a customer's payment, a server returns with the receipt but keeps the payment card hoping that the customer does not notice.
- D. An imitation website is created to deceive users into providing their payment card information.

答案： A

解題說明:

Detailed Explanation:

* Rationale for Correct Answer:Card skimming/shimming occurs when a fraudster captures payment card data with a hidden device. In this case, the employee secretly scans the customer's card with a small device - a textbook example of skimming.

* Analysis of Incorrect Options:

* A. Server keeps the card - This is theft of the card, not skimming.

* B. Imitation website - This is phishing, not skimming.

* D. None of the above - Incorrect since option C is correct.

* Key Concept: Payment card fraud - skimming/shimming devices.
