### CISI UAE Financial Rules and Regulations Exam Sample Questions (Q74-Q79):

#### NEW QUESTION # 74

Where a client is a legal person, the customer due diligence obligations require verification of identity for any natural persons holding what minimum controlling ownership interest?

- A. 25%
- B. 51%
- C. 10%
- D. 3%

#### Answer: A

Explanation:

According to CISI UAE Financial Rules and Regulations, when the client is a legal person, customer due diligence (CDD) requires verification of identity for any natural person holding a minimum controlling ownership interest of 25%. This threshold identifies beneficial owners who have significant influence or control over the legal entity. Verifying these individuals is critical for AML/CTF compliance to prevent misuse of corporate vehicles for illicit purposes. The 25% figure aligns with international standards such as FATF recommendations and ensures that regulatory scrutiny extends beyond the legal entity to its key controllers.

#### NEW QUESTION # 75

In what circumstances can the requirement for licensed bodies to disclose their legal status be waived?

- A. A takeover bid for the licensed body has been launched
- B. A significant market correction is taking place
- C. An emergency has been notified to the Authority
- D. A court case against the licensed body is in progress

#### Answer: C

Explanation:

The CISI UAE Financial Rules and Regulations allow the waiver of the requirement for licensed bodies to disclose their legal status only in specific scenarios such as when an emergency has been notified to the Authority. This provision recognizes that during certain urgent situations, standard disclosure obligations may be temporarily suspended to allow for swift action or confidentiality. Other circumstances such as ongoing court cases, market corrections, or takeover bids do not automatically justify waivers of disclosure obligations, preserving investor transparency and trust under normal conditions.

#### NEW QUESTION # 76

For all local funds, a semi-annual report on the public fund's performance must be prepared no later than:

- A. 45 days from the end of the semi-annual period
- B. 30 days from the end of the financial year
- C. 2 months from the end of the financial year
- D. 2 months from the end of the semi-annual period

**Answer: D**

Explanation:

Per CISI UAE Financial Rules and Regulations governing investment funds, a semi-annual report on the public fund's performance must be prepared no later than 2 months from the end of the semi-annual period.

This reporting timeline ensures timely disclosure to investors and regulators, providing transparency about fund performance, investment activities, and compliance with regulatory standards. The semi-annual report serves as a key accountability mechanism, enabling investors to make informed decisions and maintain confidence in the fund management. The requirement for a two-month deadline aligns with global best practices in fund reporting.

**NEW QUESTION # 77**

Firms providing investment management services must provide periodic statements to retail clients, in normal circumstances at least every:

- A. 3 months
- B. 12 months
- C. month
- D. 6 months

**Answer: D**

Explanation:

The CISI UAE Financial Rules and Regulations require that firms offering investment management services deliver periodic statements to retail clients at least every 6 months under normal circumstances. This frequency strikes a balance between providing clients with timely updates on their investments and operational practicality for firms. The statements include performance, transaction details, fees, and holdings, enabling retail clients to monitor their portfolios and make informed decisions. More frequent reporting may be required in special situations, but semi-annual reporting is the standard minimum.

**NEW QUESTION # 78**

When licence applicants submit behaviour regulations including a professional code of ethics, this falls under the category of:

- A. technical system
- B. employee regulation
- C. administration regulation
- D. governance regulation

**Answer: D**

Explanation:

Behaviour regulations submitted by license applicants, such as a professional code of ethics, are classified under governance regulations within the CISI UAE Financial Rules and Regulations framework. Governance regulations encompass policies, standards, and codes that guide the ethical conduct, integrity, and responsibilities of licensed entities and their employees. They are designed to promote accountability, compliance, and good corporate citizenship within the financial industry. Unlike technical systems, which relate to operational infrastructure, or employee regulations focused on HR and workplace rules, governance regulations provide the overarching ethical and procedural guidelines essential for sustaining market confidence and protecting stakeholders. The inclusion of a professional code of ethics ensures license applicants demonstrate commitment to the principles of fairness, transparency, and fiduciary duty, which are fundamental requirements by the Securities and Commodities Authority (SCA) for licensing approval.
