PRINCE2 Practitioner Exam Sample Questions (Q209-Q214):

NEW QUESTION # 209

Who is responsible for ensuring that the value-for-money solution is constantly reassessed?

- A. Reject Support
- B. Corporate or Programme Management
- C. Senior User
- **D. Business Assurance**

Answer: D

NEW QUESTION # 210

The project is using PRINCE2's recommended risk management procedure. In the 'identify' step, a risk was recorded in the risk register: "If the 'accredited classroom-based course' is delayed, there is a threat that work on the 'e-learning course' will be delayed, resulting in the 'accredited e-learning course' not being ready for the 'pilot courses'."

In the 'implement' step, a risk response was decided: "Work will start incrementally on the 'e-learning course' whenever a part of the 'classroom-based training materials' gains accreditation".

Is this appropriate, and why?

- A. No, because a risk action should be allocated to implement a response.
- B. Yes, because delivering incrementally will reduce the impact of the threat.
- **C. Yes, because a risk response needs to be implemented for this major threat.**
- D. No, because risks responses should be identified as part of the 'plan' step.

Answer: C

NEW QUESTION # 211

Which 2 alternative actions apply to the proposed user assurance for this project?

- A. Remove because neither of these individuals are from the business functions to be outsourced.
- **B. Retain because their divisions will be the major users of the outsourced services and they can provide the user perspective on the impact of any proposed changes.**
- C. Retain because they are both very positive about outsourcing the selected business functions.
- D. Retain because selecting only one of them may cause unnecessary conflict.
- **E. Retain because they are able to help identify stakeholders and their communication requirements.**

Additional Information

Chief Executive Officer (CEO): He started the company 25 years ago and knows his job very well. He injured his leg two years ago which has restricted his visits to the engineering area. As CEO he has an overall perspective of the business strategic requirements and the authority to commit resources as required.

Marketing Director: She has been with the company for three years, following a successful career with a publicity company. She has the ability to represent the needs of the business, particularly as this is a marketing project. She has the authority to commit the annual business marketing budget, from which the project will be funded, as she sees appropriate. She will be responsible for monitoring the expected benefits of the calendar, in particular the improvement of the company's image.

Engineering Manager: He has been responsible for many engineering innovations in the company and is still as keen and energetic as the day he started. Whilst he will not be part of the project team, his staff will feature in the photos for the promotional calendar.

Central Records: This group of five staff looks after all company records and document control. They now maintain all project files.

Bright Lights: This is the local office supplies company. It supplies all the stationery and office equipment needs of the company and will supply the stationery for this project.

Portraits Ltd: This is a professional photographic company with a number of excellent photographers and a history of successful work. This company has been selected to take the photos for the company calendar. It has yet been decided which of the photographers to use.
