NEW QUESTION # 88

Anne used Will as a confidential informant in her investigation. Anne listed information provided by Will in her final report, referring to him using his initials. She paid Will in cash and obtained a receipt for the transaction. Which of Anne's methods was NOT considered a best practice when using informants?

- A. Referring to Will using his initials
- B. Obtaining a receipt from Will
- C. Using information provided by Will in her report
- **D. Using cash to pay Will**

Answer: D

Explanation:

Best practices when working with confidential informants include documenting payments and identities in ways that protect anonymity but avoid risks. The Fraud Examiners Manual and CFE Prep emphasize avoiding cash payments because they reduce transparency and create audit trail problems. Paying in cash is therefore NOT considered a best practice, whereas using initials, obtaining receipts, and documenting informant information in reports can be acceptable methods.
