

# **New HPE7-J02 Test Forum 100% Pass | Efficient HPE7-J02 Dump: Advanced HPE Storage Integrator Solutions Written Exam**

BTW, DOWNLOAD part of Exams4sures HPE7-J02 dumps from Cloud Storage: [https://drive.google.com/open?id=1w7wcvBgUfDnv1CE3\\_FY-uCPXTOedJ9KC](https://drive.google.com/open?id=1w7wcvBgUfDnv1CE3_FY-uCPXTOedJ9KC)

We have hired professional staff to maintain HPE7-J02 practice engine and our team of experts also constantly updates and renew the question bank according to changes in the syllabus. With HPE7-J02 learning materials, you can study at ease, and we will help you solve all the problems that you may encounter in the learning process. If you have any confusion about our HPE7-J02 Exam Questions, just contact us and we will help you out.

If you want to pass your exam and get your certification, we can make sure that our HPE Storage Solutions guide questions will be your ideal choice. Our company will provide you with professional team, high quality service and reasonable price. In order to help customers solve problems, our company always insist on putting them first and providing valued service. We deeply believe that our HPE7-J02 question torrent will help you pass the exam and get your certification successfully in a short time. Maybe you cannot wait to understand our HPE7-J02 Guide questions; we can promise that our products have a higher quality when compared with other study materials. At the moment I am willing to show our HPE7-J02 guide torrents to you, and I can make a bet that you will be fond of our products if you understand it.

**HP HPE7-J02 Dump | HPE7-J02 New Exam Camp**

Are you worried about insufficient time to prepare the exam? Do you have a scientific learning plan? Maybe you have set a series of to-do list, but it's hard to put into practice for there are always unexpected changes during the HPE7-J02 exam. Here we recommend our HPE7-J02 test prep to you. With innovative science and technology, our study materials have grown into a powerful and favorable product that brings great benefits to all customers. We are committed to designing a kind of scientific study material to balance your business and study schedule. With our HPE7-J02 Exam Guide, all your learning process includes 20-30 hours. As long as you spare one or two hours a day to study with our latest HPE7-J02 quiz prep, we assure that you will have a good command of the relevant knowledge before taking the exam. What you need to do is to follow the HPE7-J02 exam guide system at the pace you prefer as well as keep learning step by step.

## HP Advanced HPE Storage Integrator Solutions Written Exam Sample Questions (Q47-Q52):

### NEW QUESTION # 47

Refer to the exhibit.

The array is experiencing frequent cache misses for read operations. Which action plan would you suggest to correct the issue?

- A. Increase the flash to disk ratio.
- B. Upgrade the setup with additional expansion shelf.
- C. Increase the pinned cache size.
- D. Upgrade the controllers to Alletra 5050 models.

**Answer: A**

Explanation:

Detailed Explanation:

Rationale for Correct answer:

Frequent cache misses occur when the working dataset does not fit effectively in cache. Increasing the flash-to-disk ratio ensures a higher portion of hot data is served from flash media rather than backend disk, reducing cache miss penalties. This is the standard HPE recommendation for read-intensive workloads where cache is insufficient.

Distractors:

A: Adding shelves adds capacity, not cache-to-data efficiency.

B: Upgrading controllers increases CPU, but not necessarily cache efficiency.

C: Pinned cache is intended for metadata or specific workloads, not large-scale read caching.

Key Concept: Flash-to-disk ratio optimization reduces cache misses.

Reference: HPE Alletra Performance Sizing Guide.

### NEW QUESTION # 48

Your customer is a hospital that recently experienced an outage that impacted patient care. They are evaluating HPE SimpliVity. Which statement about HPE SimpliVity RapidDR is correct?

- A. HPE RapidDR ensures an RTO of 0 in a stretched cluster topology.
- B. HPE RapidDR requires an authorized person to execute a pre-configured recovery plan during failover.
- C. HPE RapidDR requires domain administrator credentials to re-IP virtual machines in the failover site.
- D. HPE RapidDR auto-commit and auto-rollback policies are completed without user interaction.

**Answer: B**

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

HPE SimpliVity RapidDR simplifies and automates DR failover processes, but execution requires an authorized operator to trigger a pre-configured recovery plan. This balances automation with compliance and security requirements (important for healthcare). It does not guarantee zero RTO, but it does minimize RTO through automation.

Distractors:

A: RTO of 0 is not possible; RapidDR reduces but does not eliminate recovery time.

B: Domain admin credentials for re-IP are not required; automation handles reconfiguration.

C: Auto-commit/rollback require administrator validation; no "silent" automation is allowed for compliance.

Key Concept: RapidDR = automation of failover/failback but requires authorized trigger.

Reference: HPE SimpliVity RapidDR Technical Overview.

#### **NEW QUESTION # 49**

Your customer has just gone through a merger and is consolidating datacenters. They are currently using a mix of manufacturers. They are evaluating whether to consolidate on HPE as their new standard. You are helping them size their new virtualized environment.

What additional information do you need to decide on an assessment tool?

- A. If they are only purchasing in a CapEx model
- B. If they are using AWS or Azure public cloud storage
- **C. If they are virtualized on VMware or Hyper-V**
- D. If any equipment has expired support contracts

**Answer: C**

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

The choice of assessment tool (e.g., HPE CloudPhysics for VMware vs. CloudPhysics.vhdx collector for Hyper-V) depends primarily on the virtualization platform in use. VMware and Hyper-V require different collectors, and this is the deciding factor for tool selection.

Distractors:

A: Public cloud use matters for hybrid sizing but not for tool selection.

C: Expired contracts are unrelated to tool choice.

D: Procurement model (CapEx vs. GreenLake) is separate from sizing assessment.

Key Concept: Assessment tool choice = based on hypervisor platform (VMware vs Hyper-V).

Reference: HPE CloudPhysics Assessment Guide.

#### **NEW QUESTION # 50**

A growing technology company is planning to upgrade its data center infrastructure. Their considerations:

Budget: Predictable monthly payments, no upfront CapEx.

Flexibility: Long-term use, no forced returns.

Ownership: Prefer eventual ownership, spread payments.

Control: Full customization and upgrades.

Which procurement option best meets their needs?

- **A. Capital lease**
- B. Consumption based
- C. Capital purchase
- D. Operating lease

**Answer: A**

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

A Capital Lease (also known as a finance lease) spreads costs over time like OpEx, while giving the customer the ability to own the equipment at the end of the lease term. This matches the desire for predictable payments, eventual ownership, and full control.

Distractors:

A (Consumption model): GreenLake provides OpEx flexibility but does not lead to ownership.

B (Operating lease): Pure rental; equipment must be returned, no ownership.

C (Capital purchase): Requires large upfront payment, which the customer wants to avoid.

Key Concept: Capital Lease = predictable payments + ownership path.

Reference: HPE Financial Services Procurement Options.

### NEW QUESTION # 51

Refer to the exhibit of Zerto Vault architecture.

Which statement about the Zerto Vault architecture is correct?

- A. Data is replicated via encrypted periodic replication between Production and the Replication Target.
- B. Immutable snapshots of all Zerto components are taken at the Replication Target and replicated to the Vault.
- C. The Resilience Automation Server manages port access between Production and the Replication Target.
- **D. Data is replicated via encrypted periodic replication between the Replication Target and the Vault.**

**Answer: D**

Explanation:

Detailed Explanation:

Rationale for Correct Answer:

In the Zerto Vault architecture, production workloads replicate continuously to a Replication Target (secondary site). From there, data is further replicated periodically and encrypted into the Vault (air-gapped, isolated site). This two-step process ensures ransomware resilience and immutability, as the Vault acts as a hardened third copy.

Distractors:

A: Production-to-replication target traffic is continuous synchronous/asynchronous replication, not periodic.

Periodic replication applies to Replication Target # Vault.

C: The Resilience Automation Server (RAS) is responsible for orchestrating failover and immutability enforcement, but it does not control port access between production and replication target.

D: Snapshots of Zerto components are not what is replicated - it's application data VMs/volumes. The Vault ensures immutability of replicated data, not ZVM components.

Key Concept: Zerto Vault = encrypted, periodic replication from replication target to immutable vault.

Reference: HPE Zerto Vault Architecture White Paper, HPE Ransomware Recovery Solutions.

### NEW QUESTION # 52

.....

As is known to us, there are three different versions about our Advanced HPE Storage Integrator Solutions Written Exam guide torrent, including the PDF version, the online version and the software version. The experts from our company designed the three different versions of HPE7-J02 test torrent with different functions. According to the different function of the three versions, you have the chance to choose the most suitable version of our HPE7-J02 study torrent. For instance, if you want to print the HPE7-J02 study materials, you can download the PDF version which supports printing. By the PDF version, you can print the Advanced HPE Storage Integrator Solutions Written Exam guide torrent which is useful for you. If you want to enjoy the real exam environment, the software version will help you solve your problem, because the software version of our HPE7-J02 Test Torrent can simulate the real exam environment. In a word, the three different versions will meet your all needs; you can use the most suitable version of our HPE7-J02 study torrent according to your needs.
