NEW QUESTION # 48

Which of the following is a core benefit of Medicare supplemental insurance?

- A. Preventive care.
- B. Basic drugs limit of \$1,250.
- C. At-home recovery.
- D. First 3 pints of blood each year.

Answer: D

NEW QUESTION # 49

Under a group life policy, the policyowner is entitled to a grace period of 31 days for the payment of any premium due EXCEPT the first. During the grace period, the death benefit coverage shall

- A. be 50%.
- B. be 75%.
- **C. continue in force.**
- D. be discontinued.

Answer: C

Explanation:

Under Oklahoma insurance law and standard group life insurance provisions, a group life policy includes a mandatory grace period of 31 days for the payment of premiums (except the first premium, which must be paid to initiate coverage). During this grace period, the policy remains in force, and the full death benefit is payable if the insured dies, provided the premium is eventually paid or the policy has not lapsed.

* Option A: Incorrect. Coverage is not discontinued during the grace period; it continues to protect the insured.

* Option B: Incorrect. The death benefit is not reduced to 50% during the grace period; it remains at 100% of the policy's face amount.

* Option C: Correct. The death benefit coverage continues in force during the 31-day grace period, as mandated by Oklahoma law.

* Option D: Incorrect. The death benefit is not reduced to 75%; it remains fully in effect.

This provision is outlined in Oklahoma statutes and aligns with the Prometric exam content outline under

"Provisions, Options, Exclusions, Riders, Clauses, and Rights," which includes knowledge of grace periods in group life policies.

NEW QUESTION # 50

An example of a false financial statement is which one of the following?

- **A. An insurance producer posts information about a profitable insurer going bankrupt.**
- B. An insurance producer hands out flyers about another producer's criminal past.
- C. An insurance producer mails out hateful postcards about a local insurer.
- D. An insurance producer published an untrue newspaper advertisement about another producer.

Answer: A

Explanation:

A false financial statement in the context of insurance refers to a misrepresentation of an insurer's financial condition, such as falsely claiming insolvency or bankruptcy, which is prohibited under Oklahoma's Unfair Trade Practices Act (Title 36 O.S. § 1204). This can mislead consumers and harm the insurer's reputation.

Option B directly involves a false claim about an insurer's financial status.

* Option A: Incorrect. An untrue advertisement about another producer is defamation or misrepresentation, not a financial statement.

* Option B: Correct. Posting false information about an insurer's bankruptcy is a false financial statement, violating Oklahoma law.

* Option C: Incorrect. Flyers about a criminal past are defamatory but not related to financial statements.

* Option D: Incorrect. Hateful postcards are unprofessional but do not constitute a false financial statement.

This question is part of the Prometric content outline under "State Insurance Statutes, Rules, and Regulations," which covers unfair trade practices.

NEW QUESTION # 51

A policy that provides coverage for persons with chronic diseases or disabilities, and often covers nursing home care, home-based care, and respite care is known as

- **A. Long-Term Care insurance.**
- B. Medicaid insurance.
- C. Medicare insurance.
- D. Group Health insurance.

Answer: A

Explanation:

Long-Term Care (LTC) insurance is designed to cover services for individuals with chronic diseases or disabilities who need assistance with activities of daily living (ADLs) or have cognitive impairments. It often includes coverage for nursing home care, home-based care, assisted living, and respite care, as regulated in Oklahoma under Title 36 O.S. § 4426.1.

* Option A: Incorrect. Medicare provides limited coverage for skilled nursing or home health care but not comprehensive LTC services.

* Option B: Incorrect. Medicaid covers LTC for low-income individuals but is a government program, not a private insurance policy.

* Option C: Correct. LTC insurance covers nursing home, home-based, and respite care for chronic conditions.

* Option D: Incorrect. Group health insurance covers medical expenses but typically does not include LTC services.

This question falls under the Prometric content outline section on "Long-Term Care (LTC) Policies," which covers LTC coverage and services.

NEW QUESTION # 52

What is the main reason a Medicare supplement policy is purchased?

- **A. to fill the gaps not covered by Medicare Parts A and B**
- B. to cover dental services
- C. to cover long-term care services
- D. to cover prescription drugs filled at the pharmacy

Answer: A

Explanation:

A Medicare supplement policy (Medigap) is designed to cover out-of-pocket costs not paid by Original Medicare (Parts A and B), such as deductibles, coinsurance, and copayments. The primary reason for purchasing Medigap is to fill the gaps in Medicare coverage, as outlined in Oklahoma's regulations (Title 36 O.

S. § 6217) and federal guidelines (CMS, Medicare & You Handbook). Dental services, long-term care, and prescription drugs are not typically covered by Medigap; these require separate plans (e.g., Medicare Part D for drugs).

* Option A: Incorrect. Dental services are not covered by Medigap; they require separate dental insurance.

* Option B: Incorrect. Long-term care is not covered by Medigap; it requires LTC insurance.

* Option C: Incorrect. Prescription drugs are covered by Medicare Part D, not Medigap.

* Option D: Correct. Medigap fills gaps in Medicare Parts A and B coverage.
