Which two data types does UC need to include?

Choose 2 answers

- A. CustomMetadata
- **B. CustomMetadataType**
- C. CustomObject
- **D. CustomField**

Answer: B,D

NEW QUESTION # 207

Universal Containers (UC) started to use the GitHub workflow. For the current minor release, an Experience Cloud developer and a Service Cloud developer both need to work on the Case object and codes that reference the Case object. Both developers branched off the same UCDev branch (maps to the Dev sandbox for Release Build) and started working. The Experience Cloud development team had Finished early, and the change was successfully merged into the UCDev branch. The local Git branch used by the Service Cloud developer is called ServiceCase At what point will the Service Cloud developer see the conflict and need to resolve the conflict?

- A. At command: git push origin ServiceCase
- B. At command: git commit -m "Service Cloud Notes"
- **C. The conflict would show in GitHub when a pull request is created from ServiceCase to**
- D. At Command: git add force-app/main/default

Answer: C

NEW QUESTION # 208

Universal Containers has recently acquired another business that uses Salesforce extensively. UC wants to merge their Salesforce Orgs to effectively sell and service customer under one business. Traditionally, UC has followed an agile development methodology to deliver Salesforce functionality. With the merging businesses, UC is convinced that adopting a Waterfall development methodology is the best approach. Which are two positive aspects of using a Waterfall development methodology?

- A. Changes late in the process are expected and can be handled by integrating them into the requirements specs.
- B. Milestones, timelines and estimates tend to be more accurate and predictable due to the upfront due diligence.
- C. Complex processes that will need to be built are thoroughly understood and documented before coding begins.
- D. The costs of starting the project are low since much of the design work is pushed to later stages of the process.

Answer: B,C

NEW QUESTION # 209
