

# Dumps H19-102\_V2.0 Discount & Test H19-102\_V2.0 Answers

We are committed to using DumpsKing Huawei H19-102\_V2.0 Exam Training materials, we can ensure that you pass the exam on your first attempt. If you are ready to take the exam, and then use our DumpsKing Huawei H19-102\_V2.0 exam training materials, we guarantee that you can pass it. If you do not pass the exam, we can give you a refund of the full cost of the materials purchased, or free to send you another product of same value.

Huawei H19-102\_V2.0 (HCSA-Sales-Transmission & Access V2.0) Certification Exam is a professional certification that is designed to validate the skills and knowledge of individuals who are interested in pursuing a career in the field of telecommunications. HCSA-Sales-Transmission & Access V2.0 certification exam is specifically aimed at individuals who have a basic understanding of sales, marketing, and networking concepts.

To prepare for the Huawei H19-102\_V2.0 Exam, candidates are advised to take a comprehensive training course that covers all the topics included in the exam. There are many online training courses available that provide candidates with the knowledge and skills they need to pass the exam. Additionally, candidates can also take advantage of study materials such as practice exams, study guides, and flashcards to help them prepare for the exam.

## H19-102\_V2.0 Quiz Guide - H19-102\_V2.0 Exam Prep & H19-102\_V2.0 Test Braindumps

Many people are difficult in getting the H19-102\_V2.0 certification successfully. If you also have trouble in passing your exam and getting your certification, we think it is time for you to use our Huawei-certification quiz prep. If you choose our study materials and use our products well, we can promise that you can pass the exam and get the H19-102\_V2.0 Certification. Then you will find you have so many chances to advance in stages to a great level of social influence and success. Our H19-102\_V2.0 dumps torrent can also provide all candidates with our free demo, in order to exclude your concerns that you can check our products.

## Huawei HCSA-Sales-Transmission & Access V2.0 Sample Questions (Q29-Q34):

### NEW QUESTION # 29

Customer pain point: High costs. DCI traffic grows over 50% annually, while bandwidth cost doubles every two years.

- A. TRUE
- B. FALSE

**Answer: A**

Explanation:

This statement directly reflects a well-documented pain point in DCI scenarios as per HCSA-Sales- Transmission & Access materials. The rapid growth of DCI traffic (over 50% annually) is driven by increasing data demands from cloud services, video streaming, and enterprise applications. Meanwhile, bandwidth costs doubling every two years exacerbate the financial burden on customers, pushing them toward cost-efficient solutions like Huawei's DC908, which offers a payback period within 1 year for self-built networks. The statement accurately captures this dynamic, making it TRUE.

#### NEW QUESTION # 30

What are the following advantages of Campus OptiX in the hotel scenario?

- A. Wi-Fi "0" Interrupt
- B. Best TCO
- C. 1 Fiber for 1 Room

**Answer: B,C**

Explanation:

In the hotel scenario, Huawei's Campus OptiX (POL-based) offers tailored advantages, as per HCSA-Sales- Transmission & Access:

Best TCO (B): POL reduces cabling, power, and maintenance costs, delivering the best Total Cost of Ownership compared to traditional LANs.

1 Fiber for 1 Room (C): The solution supports a fiber-to-the-room architecture, providing high bandwidth and scalability for guest rooms.

Wi-Fi "0" Interrupt (A): While POL supports excellent Wi-Fi (e.g., via ONUs with Wi-Fi 6), "zero interrupt" is not a specifically highlighted advantage in hotel scenarios; it's more emphasized in office roaming contexts.

Thus, B and C are the verified advantages.

#### NEW QUESTION # 31

Which of the following are advantages of self-built DCI?

- A. Guaranteed Quality
- B. High Efficient O&M
- C. Service Rollout on Time

**Answer: B,C**

Explanation:

A self-built Data Center Interconnect (DCI) provides several advantages:

#High Efficient O&M - With self-built DCI, enterprises have full control over network monitoring, fault management, and performance optimization, reducing dependency on external providers.

#Service Rollout on Time - Unlike leased lines, a self-built DCI network allows rapid service deployment without waiting for telecom operators, improving efficiency.

#Guaranteed Quality - While a self-built network offers more control, it does not always guarantee quality compared to carrier-grade leased lines with SLAs (Service Level Agreements).

Thus, the correct answer is B and C.

#### NEW QUESTION # 32

Campus OptiX solution support smooth evolution from GPON to 10GPON.

- A. TRUE
- B. FALSE

**Answer: A**

Explanation:

Campus OptiX supports GPON (2.5Gbps) and evolves to 10GPON (10Gbps) using the same OLT and ODN, per HCSA-Sales-Transmission & Access, ensuring future-proofing, making the statement TRUE.

### NEW QUESTION # 33

eSight can manage both IP and POL equipment in Campus OptiX solution.

- A. TRUE
- B. FALSE

Answer: A

Explanation:

eSight is Huawei's network management system (NMS) designed to provide centralized management for various network elements. In the context of the Campus OptiX solution, HCSA-Sales-Transmission & Access documents confirm that eSight supports converged management of both IP-based equipment (e.g., switches, routers) and POL components (e.g., OLTs, ONUs). This capability enables unified monitoring, configuration, and fault detection across the hybrid IP+POL architecture, enhancing operational efficiency. The statement is consistent with eSight's documented functionality, making it TRUE.

### NEW QUESTION # 34

.....

If moving up in the fast-paced technological world is your objective, DumpsKing is here to help. The excellent Huawei H19-102\_V2.0 practice exam from DumpsKing can help you realize your goal of passing the Huawei H19-102\_V2.0 Certification Exam on your very first attempt. Most people find it difficult to find excellent Huawei H19-102\_V2.0 exam dumps that can help them prepare for the actual Huawei H19-102\_V2.0 exam.
