### **PRAXIS Praxis Business Education: Content Knowledge (5101)Exam Sample Questions (Q22-Q27):**

#### **NEW QUESTION # 22**

Which of the following are used to refine a search on the Internet?

- A. Macros
- B. Default commands
- C. Batch files
- **D. Boolean operators**

**Answer: D**

Explanation:

Boolean operators (e.g., AND, OR, NOT) are used to refine Internet searches by combining or excluding terms to narrow or expand results. Option B (macros) automates tasks in software, not searches. Option C (default commands) is vague and not specific to search refinement. Option D (batch files) automates computer tasks, not Internet searches. This question falls under the Information Technology category, focusing on information retrieval.

#### **NEW QUESTION # 23**

The term "laissez-faire" is primarily associated with a

- **A. free enterprise economic system**
- B. command economic system
- C. planned economic system
- D. mixed economic system

**Answer: A**

Explanation:

Laissez-faire, meaning "let it be," is associated with a free enterprise economic system, where government intervention is minimal, and markets operate based on supply and demand. Option B (command) involves central planning, the opposite of laissez-faire. Option C (mixed) combines elements of various systems, not purely laissez-faire. Option D (planned) is similar to command, with significant government control. This question aligns with the Economics category, focusing on economic systems.

#### **NEW QUESTION # 24**

Which of the following best describes the purpose of tabs in word-processing software?

- A. To wrap text around a graphic
- **B. To position text within a line**

- C. To create graphics
- D. To single-space lines of text

**Answer: B**

Explanation:

Tabs in word-processing software are used to position text at specific points within a line, creating aligned columns or indentations. Option A (create graphics) is unrelated to tabs. Option C (single-space lines) pertains to line spacing settings. Option D (wrap text around graphics) involves text-wrapping features, not tabs. This question falls under the Information Technology category, focusing on software functionality.

### NEW QUESTION # 25

Distribution, pricing, and promotion of the product are presented in which section of the business plan?

- A. Merchandising
- B. Organization
- C. Marketing
- D. Production

**Answer: C**

Explanation:

The marketing section of a business plan outlines strategies for distribution (how the product reaches customers), pricing (cost to customers), and promotion (advertising and sales efforts). Option B (production) focuses on manufacturing processes. Option C (merchandising) is a retail function, not a business plan section. Option D (organization) covers management structure. This question falls under the Management and Marketing category, focusing on business planning.

Reference:ETS Praxis Business Education: Content Knowledge (5101) Study Companion, Section on Management and Marketing; Entrepreneurship: Starting and Operating a Small Business, Chapter 7.

### NEW QUESTION # 26

Which of the following is the most effective way for a company to address a service recovery problem?

- A. Offering the customer an apology for the problem, and then assuming the issue has been resolved
- B. Providing the customer with compensation for the problem, no matter the cost
- C. Involving the customer, managers, and frontline employees to address and fix the problem
- D. Having only customer service employees deal directly with the customer to solve the problem

**Answer: C**

Explanation:

Effective service recovery involves collaboration among the customer, managers, and frontline employees to understand and resolve the issue, ensuring satisfaction and learning. Option A limits involvement to customer service, potentially missing broader insights. Option C (apology only) may not resolve the issue. Option D (unlimited compensation) is unsustainable. This question aligns with the Management and Marketing category, focusing on customer service.
