We claim that you can be ready to attend your exam after studying with our Maryland-Real-Estate-Salespersonstudy guide for 20 to 30 hours because we have been professional on this career for years.

Real Estate Maryland Real Estate Salesperson Examination Sample Questions (Q127-Q132):

NEW QUESTION # 127

Which term refers to a permitted deviation from current zoning restrictions that allows an owner to use land for a purpose that's otherwise prohibited, and requires the owner to prove the zoning creates an unnecessary hardship?

- A. Special use permit
- **B. Use variance**
- C. Property variance
- D. Moratorium

Answer: B

Explanation:

The land use module distinguishes among zoning relief mechanisms:

* A use variance permits a land use otherwise prohibited in the zoning district and typically requires proof of unnecessary hardship unique to the property.

* An area (dimensional) variance addresses dimensional departures (setbacks, height) and usually requires practical difficulty rather than hardship.

* A special use permit (special exception) authorizes uses listed as conditionally allowed if specific criteria are met.

* A moratorium is a temporary halt on development. Because the question describes permission to conduct a prohibited use upon showing unnecessary hardship, the correct term is use variance.

References: Maryland 60-Hour Principles and Practices of Real Estate - Land Use Controls: zoning, variances (use vs. area), special exceptions/conditional uses, and standards of proof.

NEW QUESTION # 128

_____ can be defined as everything that's not real property.

- **A. Personal property**
- B. Land property
- C. Real estate
- D. Private property

Answer: A

Explanation:

Personal property (also known as chattel) refers to movable items that are not permanently attached to the land or the improvements on it.

Examples include furniture, vehicles, and trade equipment. In contrast, real property includes land, improvements, and the legal rights associated with ownership.

The distinction between real and personal property is a core principle of real estate law covered early in the Maryland 60-Hour Course under "Real Property and the Law." Reference:

Maryland 60-Hour Principles and Practices of Real Estate Pre-Licensing Course - "Real Property and the Law" Module Common Law Property Definitions recognized by the Maryland Real Estate Commission.

NEW QUESTION # 129

What, when signed by all parties to a sales contract, changes the original terms of the contract?

- A. Addendum
- B. Appurtenance
- **C. Amendment**
- D. Annexation

Answer: C

Explanation:

Comprehensive and Detailed Explanation From Exact Extract of Maryland 60-Hour Principles and Practices of Real Estate Pre-Licensing Course:

An amendment is a written change or modification to an existing contract that is made after the original agreement has been executed.

All parties must agree to and sign the amendment for it to be legally binding.

This differs from an addendum, which is added before or at the same time as the contract and becomes part of the original agreement.

The Maryland course highlights amendments as critical tools in real estate practice for making mutually accepted changes-such as closing dates, purchase prices, or contingencies-without voiding the original contract.

Reference:

Maryland 60-Hour Principles and Practices of Real Estate Pre-Licensing Course - "Real Estate Contracts" Module Maryland Contract Law - Modifications and Amendments.

NEW QUESTION # 130

What regulation or regulatory authority identifies sites that have hazardous substances, and requires the responsible parties to clean them up?

- A. Comprehensive Environmental Response, Compensation, and Liability Act
- B. Department of Housing and Urban Development
- C. The National Environmental Policy Act
- D. State Department of Environmental Quality

Answer: A

Explanation:

Comprehensive and Detailed Explanation From Exact Extract of Maryland 60-Hour Principles and Practices of Real Estate Pre-Licensing Course:

The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), enacted in 1980 and commonly known as "Superfund," authorizes the Environmental Protection Agency (EPA) to identify and clean up sites contaminated with hazardous substances.

CERCLA also establishes liability for potentially responsible parties (PRPs)-including current and past owners, operators, and those who arranged for disposal of hazardous substances.

Maryland's pre-licensing course covers CERCLA as a federal regulation that affects real estate transactions involving contaminated properties, as buyers and sellers must be aware of any cleanup responsibilities before transfer.

Reference:

Maryland 60-Hour Principles and Practices of Real Estate Pre-Licensing Course - "Environmental Issues and Disclosures" Module Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. §9601 et seq.).

NEW QUESTION # 131

Dan is buying Chuck's property, which is listed with Nevin's brokerage. Who are the parties to the exclusive right-to-sell listing agreement?

- A. Dan and Chuck
- B. Dan, Chuck, and Nevin
- C. Chuck and Nevin's brokerage
- D. Dan and Nevin

Answer: C

Explanation:

The course states that an exclusive right-to-sell listing is a brokerage employment agreement between the seller and the listing brokerage (through the authorized broker), not with the buyer. The listing contract authorizes the brokerage to market the property and earn compensation upon a sale during the listing term, regardless of who procures the buyer. Therefore, the parties are the seller (Chuck) and the listing brokerage (Nevin's brokerage).

References: Maryland 60-Hour Principles and Practices of Real Estate - Listing Agreements: parties to the agreement, broker's authority, and compensation provisions in exclusive right-to-sell listings.

NEW QUESTION # 132

.....
