- A. Hiring, training, assessing
- B. Customer, product, market
- C. Labor cost, service, innovation
- D. Retention, performance, engagement

**Answer: D**

Explanation:

Comprehensive and Detailed Explanation:

In knowledge-based industries like consulting, human capital is the primary asset. Thus, HR must focus on:

- \* Retention: to reduce turnover among skilled consultants
- \* Performance: to maximize client value and utilization
- \* Engagement: to increase motivation, innovation, and productivity

These directly impact revenue and customer satisfaction, making HR a critical strategic partner.

GPHR Study Guide Extract - Talent and Organizational Development / HR in Knowledge-Based Organizations:

"Organizations that rely on intellectual capital must prioritize employee engagement, retention, and continuous performance development. These areas are directly tied to client satisfaction, revenue generation, and competitive positioning." Hiring and training are foundational, but without long-term performance and engagement strategies, talent investments won't yield optimal results.
