ACFE Certified Fraud Examiner - Fraud Prevention and Deterrence Exam Sample Questions (Q190-Q195):

NEW QUESTION # 190

Which of the following best describes the purpose of The National Commission on Fraudulent Financial Reporting (the Treadway Commission)?

- A. Defining the responsibility of the auditor in preventing and detecting fraud
- B. Designing a model corporate compliance program
- C. Determining the specific requirements of the Principles of Risk Management
- D. Studying the effect of the threat of vicarious liability on the behavior of corporate executives

Answer: A

NEW QUESTION # 191

Terrel, a Certified Fraud Examiner (CFE), unknowingly violates the law one night. Which of the following statements about the ACFE Code of Professional Ethics is TRUE?

- A. This conduct would not be a violation of the ACFE Code of Professional Ethics under any circumstances.
- B. This conduct would be a violation of the ACFE Code of Professional Ethics.
- C. This conduct would be a violation of the ACFE Code of Professional Ethics only if Terrel knew the conduct was illegal.
- D. This conduct would be a violation of the ACFE Code of Professional Ethics only if Terrel is arrested.

Answer: B

NEW QUESTION # 192

The Committee of Sponsoring Organizations of the Treadway Commission's (COSO) Enterprise Risk Management-Integrating with Strategy and Performance defines what as 'the continual iterative process of obtaining information and sharing it throughout the entity'?

- A. Information, communication, and reporting
- B. Strategy and objective-setting
- C. Governance and culture
- D. Performance

Answer: A

Explanation:

Information, communication, and reporting involve the continual process of gathering and sharing relevant information across an organization to support decision-making and risk management. This ensures that all stakeholders are informed and that information flows effectively to enhance organizational performance.

NEW QUESTION # 193

Which of the following is NOT a responsibility of the organization's board of directors?

- A. Directing employees to execute business activities
- B. Assessing the strategy and underlying purpose of management's decisions and actions
- C. Serving as the intermediaries between shareholders and management
- D. Acting as guardians of the organization's resources and assets

Answer: A

Explanation:

Responsibilities of the Board of Directors:

* The board is primarily responsible for oversight, governance, and ensuring the organization operates in the best interest of stakeholders. Key responsibilities include:

* Acting as intermediaries between shareholders and management.

- * Safeguarding resources and assets.
- * Assessing management's strategies and decisions.

Why C is Correct:

- * Directing employees is a management responsibility, not a board function. The board focuses on oversight rather than operational execution.

References:

- * ACFE governance principles emphasize the separation of oversight and operational roles.

NEW QUESTION # 194

Which of the following theories suggests that, when considering the possibility of violating a law, people are likely to ask themselves, "What will my spouse think if they find out?"

- **A. Social control theory**
- B. Cognitive theory
- C. Behavioral theory
- D. Operant theory

Answer: A

Explanation:

* Social Control Theory Overview:

* This theory posits that individuals consider social and personal relationships when deciding whether to commit a crime. They reflect on the potential consequences of their actions on their relationships and social standing.

* Application to the Scenario:

* The question of "What will my spouse think?" aligns directly with social control theory, as it involves weighing personal consequences within a social context.

* Analysis of Other Options:

* B. Operant theory: Focuses on behavior modification through rewards and punishments.

* C. Cognitive theory: Centers on thought processes and decision-making patterns.

* D. Behavioral theory: Examines the external influences on behavior, not personal social relationships.

* Conclusion: Social control theory best explains the scenario.

References: Criminological theories referenced in ACFE study materials.
