### IASPSstrategy Planning Professional Exam Sample Questions (Q59-Q64):

#### NEW QUESTION # 59

How can a leader BEST demonstrate she or he really wants to hear another person's views?

- A. Directly ask the other person for their views
- B. The leader should first find something to agree on, with the other person
- C. The leader should describe his or her own listening skills first and foremost
- D. The leader should say something flattering

**Answer: A**

Explanation:

The best way for a leader to show genuine interest in another's views is to directly ask for them, signaling openness and respect. This encourages honest communication, builds trust, and demonstrates active listening.

The IASP SPP curriculum stresses that effective leaders foster dialogue by inviting input rather than relying on superficial praise or

self-presentation. Finding common ground is useful but secondary to authentic inquiry. Clear solicitation of opinions supports engagement and collaborative decision-making critical for strategic alignment.#IASP SPP Study Guide - Leadership and Communication##Covey, The 7 Habits of Highly Effective People#

Strategic planning impacts the annual planning and budgeting process by

- A. Flowing budgets down to lower levels
- B. Defining the organization's structure
- C. Identifying strategies for ongoing initiatives
- D. Establishing priorities

**Answer: D**

Explanation:

Strategic planning primarily establishes priorities that guide annual planning and budgeting decisions, ensuring resource allocation aligns with strategic goals. The IASP SPP curriculum emphasizes the role of strategy in focusing organizational efforts and financial commitments. An organizational strategic planning support team should include

- A. a delegate from the competition.
- B. representatives from all areas of the organization.
- C. all key executives.
- D. the chief executive's administrative assistant.

**Answer: B**
