CCE Global Counselor Preparation Comprehensive Examination (CPCE) Sample Questions (Q130-Q135):

NEW QUESTION # 130

Which of the following is ethical behavior for a professional counselor?

- A. advertising discount group counseling services
- **B. deidentifying research data to ensure client anonymity**
- C. encouraging pregnant clients not to have abortions

Answer: B

Explanation:

Deidentifying research data to ensure client anonymity is an ethical standard in research and counseling practice. It protects client confidentiality and complies with legal and ethical guidelines. Advertising discount services may raise ethical issues related to solicitation, and directing a client's reproductive choices violates client autonomy and ethical codes.

NEW QUESTION # 131

The difference between a resistant and a reluctant client is that a reluctant client

- A. does not approach their problem situation passively.
- B. is confronting the difficulties of managing life better.
- **C. assumes that the counseling relationship is coercive.**

Answer: C

Explanation:

A reluctant client is one who does not actively seek counseling and may enter the process due to external pressure or a perception that the relationship is coercive or not their choice. In contrast, resistant clients actively oppose or block the counseling process, often as a defense against change. "Reluctant clients tend to assume that counseling is being imposed upon them, often due to outside influence or pressure, and may be apprehensive about participating." Reference: Helwig, A. A. (2020). CPCE Study Guide and Review; Egan, G. (2014). The Skilled Helper (10th Edition).

NEW QUESTION # 132

Accreditation of counselor preparation programs is important to ensure

- A. that counselor trainees receive the best possible education.
- **B. consistency in counselor training across the country.**
- C. that credentialed counselors are competent to practice.

Answer: B

Explanation:

Accreditation ensures that counselor preparation programs adhere to nationally recognized standards, which provides consistency in training across the country. This consistency helps guarantee that all graduates meet baseline competencies, regardless of the institution attended. While competency and quality education are also important outcomes, the central purpose of accreditation is to standardize and assure consistency in the education and training of counselors.
