Three in Demand NLN NEX Exam Questions Formats

If you are looking for a good learning site that can help you to pass the NLN NEX exam, PassExamDumps is the best choice. PassExamDumps will bring you state-of-the-art skills in the IT industry as well as easily pass the NLN NEX exam. We all know that this exam is tough, but it is not impossible if you want to pass it. You can choose learning tools to pass the exam. I suggest you choose PassExamDumps NLN NEX Exam Questions And Answers. I suggest you choose PassExamDumps NLN NEX exam questions and answers. The training not only complete but real wide coverage. The test questions have high degree of simulation. This is the result of many exam practice. If you want to participate in the NLN NEX exam, then select the PassExamDumps, this is absolutely right choice.

NLN Nursing Entrance Exam (Math, Science and Verbal) Sample Questions (Q33-Q38):

NEW QUESTION # 33

Review the image below.

In which part of the spinal column are the vertebrae depicted by bracket B located?

- A. Thoracic
- B. Cervical
- C. Lumbar
- D. Sacral

Answer: A

Explanation:

This question tests knowledge of spinal anatomy and the ability to interpret labeled diagrams, which is common on the NEX Science exam. The vertebral column is divided into regions: cervical (neck), thoracic (upper and mid-back), lumbar (lower back), sacral, and coccygeal regions. In the image, bracket B corresponds to the long middle portion of the spine where ribs attach. This region contains the thoracic vertebrae, which are larger than cervical vertebrae but smaller than lumbar vertebrae and are uniquely characterized by rib articulation. The sacral region is located below the lumbar spine and consists of fused vertebrae, while the cervical region is at the top of the spine near the skull. The lumbar region is shorter and thicker, designed to support body weight. Because bracket B shows the rib-bearing portion of the spine, the correct answer is thoracic. The NEX often assesses spatial understanding of skeletal structures using diagrams.

NEW QUESTION # 34

Reading Comprehension

Passage:

Regular physical activity improves cardiovascular health by strengthening the heart and improving circulation. Exercise can also help manage stress, improve mood, and reduce the risk of chronic disease.

Which benefit of exercise is mentioned in the passage?

- A. Increased appetite
- B. Faster digestion
- C. Enhanced vision
- D. Improved mood

Answer: D

Explanation:

The passage lists several benefits of exercise, including improved cardiovascular health, stress management, improved mood, and

reduced chronic disease risk. Option B is explicitly mentioned, making it the correct answer. The other options introduce benefits not discussed in the passage. On the NEX exam, detail-based questions require careful reading to identify information that is directly stated rather than inferred. Choosing only what is explicitly mentioned is key.

NEW QUESTION # 35

Which of the following molecules is an electrolyte normally found in the blood?

- A. H₂O
- B. Lactase
- C. Iodine
- D. Ca²⁺

Answer: D

Explanation:

Electrolytes are charged ions that help regulate nerve function, muscle contraction, and fluid balance in the body. Calcium ions (Ca²⁺) are an important electrolyte found in the blood and play a crucial role in muscle contraction, blood clotting, and nerve signaling. Water is not an electrolyte because it does not carry a charge.

Iodine is a trace element but not a primary blood electrolyte. Lactase is an enzyme involved in digestion, not an electrolyte. The NEX Science section often includes questions related to human physiology and emphasizes understanding ions and their roles in body function.

NEW QUESTION # 36

Word Knowledge

The word "evaluate" most nearly means:

- A. Delay
- B. Measure or assess
- C. Predict
- D. Ignore

Answer: B

Explanation:

Evaluate means to assess, judge, or determine the value or effectiveness of something. Option B is the correct synonym. Evaluation is a common term in healthcare and academic settings, making it a high-yield NEX word.

NEW QUESTION # 37

A nutritionist recommends that a certain client get $\frac{7}{20}$ of his calories from fats, $\frac{1}{5}$ of his calories from proteins, and the remainder of his calories from carbohydrates.

What fraction of all calories should the client get from carbohydrates?

- A. $\frac{7}{20}$
- B. $\frac{1}{5}$
- C. $\frac{13}{20}$
- D. $\frac{2}{4}$

Answer: A

Explanation:

This problem tests fraction addition and subtraction within a real-world nutrition scenario, which is typical of the NEX Math Section. First, recognize that all calorie fractions must total 1 (or the whole). The client gets $\frac{7}{20}$ from fats and $\frac{1}{5}$ from proteins. To combine these fractions, find a common denominator. The least common denominator of 5 and 4 is 20. Convert the fractions: $\frac{1}{5} = \frac{4}{20}$. Add them together: $\frac{7}{20} + \frac{4}{20} = \frac{11}{20}$. This represents the portion of calories from fats and proteins combined. To find the remainder from carbohydrates, subtract from 1: $1 - \frac{11}{20} = \frac{9}{20}$.

Therefore, the correct answer is A. This type of problem reinforces careful fraction operations and understanding of "remainder"

language on the NEX exam

NEW QUESTION # 38

.....

PassExamDumps is aware of your busy routine; therefore, it has made the Nursing Entrance Exam (Math, Science and Verbal) NEX dumps format to facilitate you to prepare for the Nursing Entrance Exam (Math, Science and Verbal) NEX exam. We adhere strictly to the syllabus set by NLN NEX Certification Exam. What will make your NEX test preparation easy is its compatibility with all devices such as PCs, tablets, laptops, and androids.

NEX Instant Access: <https://www.passexamdumps.com/NEX-valid-exam-dumps.html>

There is no doubt that PDF of NEX exam torrent is the most prevalent version among youngsters, mainly due to its convenience for a demo, through which you can have a general understanding and simulation about our NEX test braindumps to decide whether you are willing to purchase or not, and also convenience for paper printing for you to do some note-taking. PassExamDumps has designed this product after getting positive feedback from professionals and is rated one of the best study materials for the preparation of the NLN NEX exam.

The trick with choosing the right color-reduction NEX palette is experimentation, The OData Protocol portal offers a free live service that you can use for testing and that NEX Instant Access supports reading and writing data, which is the Read-Write OData Sample Service.

Pass Guaranteed Latest NEX - Test Nursing Entrance Exam (Math, Science and Verbal) Dumps.zip

There is no doubt that PDF of NEX exam torrent is the most prevalent version among youngsters, mainly due to its convenience for a demo, through which you can have a general understanding and simulation about our NEX Test Braindumps to decide whether you are willing to purchase or not, and also convenience for paper printing for you to do some note-taking.

PassExamDumps has designed this product after getting positive feedback from professionals and is rated one of the best study materials for the preparation of the NLN NEX exam.

With these outstanding features of its product, PassExamDumps is confident to Test NEX Dumps.zip offer 100% money back guarantee on your success, We set up a 24/7 customer service to settle all your problems about Nursing Entrance Exam (Math, Science and Verbal) test study engine.

It is proved by our loyal customers that our passing rate of NEX practice materials has reached up to 98 to 100 percent up to now.
