There has no delay reaction of our website. So you can begin your pleasant selecting journey on our websites. And you will find our CCFA-200b practice materials are easy to download.

CrowdStrike Falcon Administrator Sample Questions (Q183-Q188):

NEW QUESTION # 183
When a host belongs to more than one host group, how is sensor update precedence determined?

- A. Groups have no impact on sensor update policies
- B. Sensors of hosts that belong to more than one group must be manually updated
- C. The highest precedence policy from the most important group is applied to the host
- D. All of the host's groups are examined in aggregate and the policy with highest precedence is applied to the host

Answer: D

Explanation:
The option that describes how sensor update precedence is determined when a host belongs to more than one host group is that all of the host's groups are examined in aggregate and the policy with highest precedence is applied to the host. A Sensor Update policy is a policy that controls how and when the Falcon sensor is updated on a host. You can create and assign custom Sensor Update policies to different hosts or groups in your environment. Each Sensor Update policy has a precedence value, which determines its priority over other policies. The higher the precedence value, the higher the priority. If a host belongs to more than one host group, each with a different Sensor Update policy assigned, then all of the host's groups are examined in aggregate and the policy with highest precedence among them is applied to the host.

NEW QUESTION # 184
An analyst is asked to retrieve an API client secret from a previously generated key. How can they achieve this?

- A. The API client secret cannot be retrieved after it has been created
- B. Enable the Client Secret column to reveal the API client secret
- C. Re-create the API client using the exact name to see the API client secret
- D. The API client secret can be viewed from the Edit API client pop-up box

Answer: A

Explanation:
The API client secret cannot be retrieved after it has been created. The secret is only displayed once when the API client is created, and it cannot be viewed or edited later. Therefore, it is important to save the secret securely and use it along with the client ID to authenticate the API client. The other options are either incorrect or not possible.

NEW QUESTION # 185
You have 100 hashes that have been prohibited by management and need to be blocked within your organization.
Using Falcon, what is the best way to accomplish this?

- A. Navigate to Configure > Prevention policies. Inside this dashboard, add an IOC Policy. Add the list of hashes as CSV file. Set the action to "Block." Verify the option for Custom Execution Blocking is active.
- B. Navigate to Configure > IOC Management. Inside this dashboard, add a custom IOAdd the list of hashes. Set the action to Block. Verify the prevention policy includes Custom Blocking under Execution Blocking.
- C. Navigate to Configure > IOC Management. Inside this dashboard, add a custom Prevention Policy. Add the list of hashes. Set the action to Block. Verify the policy includes Custom Execution Blocking.
- D. Navigate to Configure > Prevention policies. Inside this dashboard, add an IOC Policy. Add the list of hashes as a CSV file. Set the action to "Block and Alert." Verify the option for Custom Blocking inside Execution Blocking is active.

Answer: B

NEW QUESTION # 186
On which page of the Falcon console can one locate the Customer ID (CID)?

- A. Sensor Dashboard
- B. Sensor Downloads
- C. API Clients and Keys
- D. Hosts Management

Answer: C

Explanation:
The page of the Falcon console where one can locate the Customer ID (CID) is API Clients and Keys. The API Clients and Keys page allows you to create and manage API clients and keys for accessing the Falcon platform programmatically. The Customer ID (CID) is a unique identifier for your organization that is required for authenticating your API requests. You can find your CID at the top of the API Clients and Keys page.

NEW QUESTION # 187

The Falcon sensor uses certificate pinning to defend against man-in-the-middle attacks. What must you ensure is disabled for the sensor to communicate with the CrowdStrike Cloud?

- A. NMAP scanning
- B. Deep packet inspection
- C. TCP inspection
- D. Proxy information

Answer: B

NEW QUESTION # 188
......

If you want to constantly improve yourself and realize your value, if you are not satisfied with your current state of work, if you still spend a lot of time studying and waiting for CCFA-200b qualification examination, then you need our CCFA-200b material, which can help solve all of the above problems. I can guarantee that our study materials will be your best choice. Our CCFA-200b Study Materials have three different versions, including the PDF version, the software version and the online version, to meet the different needs, our products have many advantages, I will introduce you to the main characteristics of our CCFA-200b research materials.

Latest CCFA-200b Test Format: https://www.passtestking.com/CrowdStrike/CCFA-200b-practice-exam-dumps.html

The first and the most important thing is to make sure the high-quality of our CCFA-200b learning guide and keep it updated on time, If you are used to studying on computer or you like using software, you can choose soft test engine or online test engine of dumps materials for Latest CCFA-200b Test Format - CrowdStrike Falcon Administrator, Our CCFA-200b study materials have gone through strict analysis and verification by senior experts and are ready to supplement new resources at any time.

So do you know why you want to work with a group CCFA-200b Valid Dumps Sheet of people, Then it puts a `` caret) character to point at where the problem is, The first and the most important thing is to make sure the high-quality of our CCFA-200b learning guide and keep it updated on time.

Free PDF CrowdStrike - CCFA-200b –Efficient Simulated Test

If you are used to studying on computer or you like CCFA-200b using software, you can choose soft test engine or online test engine of dumps materials for CrowdStrike Falcon Administrator, Our CCFA-200b study materials have gone through strict analysis and verification by senior experts and are ready to supplement new resources at any time.

And our high hit rates dump which just need 20~30 hours to be carried Practical CCFA-200b Information out plus the version of APP make it possible for you to pass the exam without a big chunk of time just spend a little leisure time.

If that's your attitudes, then you will be fortunate enough to come across our CCFA-200b : CrowdStrike Falcon Administrator exam study material.
