DOWNLOAD the newest Dumps4PDF AI-102 PDF dumps from Cloud Storage for free: <https://drive.google.com/open?id=1H6nQIxNbw1v-guaK9oi3o5cLJmAc3w9A>

We can find that the Internet is getting closer and closer to our daily life and daily work. We can hardly leave the Internet now, we usually use computer or iPad to work and learn. Inevitably, we will feel too tired if we worked online too long. You can see our AI-102 exam materials have three version, including PDF version, APP version and soft version, the PDF version support printing. You can free download part of AI-102 simulation test questions and answers of AI-102 exam dumps and print it, using it when your eyes are tired. It is more convenient for you to look and read while protect our eye. If you print the AI-102 exam materials out, you are easy to carry it with you when you out, it is to say that will be a most right decision to choose the AI-102, you will never regret it.

Microsoft AI-102 exam is suitable for individuals who have experience in developing AI solutions and are looking to showcase their expertise in designing and implementing AI solutions using Microsoft Azure services. AI-102 Exam also provides an opportunity for professionals to enhance their skills in the field of AI and prepare for a career in AI development.

AI-102 Download Pdf | Relevant AI-102 Answers

In real life, every great career must have the confidence to take the first step. When you suspect your level of knowledge, and cramming before the exam, do you think of how to pass the Microsoft AI-102 exam with confidence? Do not worry, Dumps4PDF is the only provider of training materials that can help you to pass the exam. Our training materials, including questions and answers, the pass rate can reach 100%. With Dumps4PDF Microsoft AI-102 Exam Training materials, you can begin your first step forward. When you get the certification of Microsoft AI-102 exam, the glorious period of your career will start.

Microsoft Designing and Implementing a Microsoft Azure AI Solution Sample Questions (Q12-Q17):

NEW QUESTION # 12

You have the following C# method for creating Azure Cognitive Services resources programmatically.

You need to call the method to create a free Azure resource in the West US Azure region. The resource will be used to generate captions of images automatically.

Which code should you use?

- A. `create_resource(client, "res1", "CustomVision.Prediction", "F0", "westus")`
- B. `create_resource(client, "res1", "CustomVision.Prediction", "S0", "westus")`
- C. `create_resource(client, "res1", "ComputerVision", "F0", "westus")`
- D. `create_resource(client, "res1", "ComputerVision", "S0", "westus")`

Answer: A

Explanation:

<https://azure.microsoft.com/en-us/pricing/details/cognitive-services/computer-vision/>

NEW QUESTION # 13

You plan to use a Language Understanding application named app1 that is deployed to a container.

App1 was developed by using a Language Understanding authoring resource named lu1.

App1 has the versions shown in the following table.

☐ You need to create a container that uses the latest deployable version of app1.

Which three actions should you perform in sequence? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order. (Choose three.)

Answer:

Explanation:

☐ Reference:

<https://docs.microsoft.com/en-us/azure/cognitive-services/luis/luis-container-howto>

NEW QUESTION # 14

You are building a chatbot by using the Microsoft Bot Framework Composer.

You have the dialog design shown in the following exhibit.

☐ For each of the following statements, select Yes if the statement is true. Otherwise, select No.

NOTE: Each correct selection is worth one point.

Answer:

Explanation:

☐ Explanation:

☐ Box 1: No

User.name is a property.

Box 2: Yes

Box 3: Yes

The coalesce() function evaluates a list of expressions and returns the first non-null (or non-empty for string) expression.

Reference:

<https://docs.microsoft.com/en-us/composer/concept-language-generation>

<https://docs.microsoft.com/en-us/azure/data-explorer/kusto/query/coalescefunction>

NEW QUESTION # 15

You are building a Chatbot by using the Microsoft Bot Framework SDK. The bot will be used to accept food orders from customers and allow the customers to customize each food item. You need to configure the bot to ask the user for additional input based on the type of item ordered. The solution must minimize development effort. Which two types of dialogs should you use? Each correct answer presents part of the solution. NOTE:

Each correct selection is worth one point.

- A. adaptive
- B. input
- C. prompt
- D. action
- E. waterfall

Answer: C,E

Explanation:

* In the Bot Framework SDK, if you want to collect structured input step by step, you typically use a Waterfall dialog. Each step in the waterfall represents one piece of logic, such as asking for the size, toppings, or type of food item.

* Prompts are used inside waterfall steps to actually ask the user for input (e.g., text prompt, choice prompt, date-time prompt).

* Adaptive, Action, Input are concepts more relevant to Power Virtual Agents or Adaptive Dialogs (Composer), not the Bot

Framework SDK question context.

* Since the question specifically mentions Bot Framework SDK, the correct answer is Waterfall dialog + Prompts.

The answer: C, D

NEW QUESTION # 16

You are building an app that will analyze text by using the Azure AI Language service.

You need to configure the app to mask the telephone number and email details in a given document.

How should you complete the code? To answer, select the appropriate options in the answer area.

NOTE: Each correct selection is worth one point.

Answer:

Explanation:

NEW QUESTION # 17

.....

With the rapid development of our society, most of the people tend to choose express delivery to save time. Our delivery speed is also highly praised by customers. Our AI-102 exam dumps won't let you wait for such a long time. As long as you pay at our platform, we will deliver the relevant AI-102 Test Prep to your mailbox within 5-10 minutes. Our company attaches great importance to overall services, if there is any problem about the delivery of AI-102 test braindumps, please let us know, a message or an email will be available.
