NEW QUESTION # 89

.....

Different from other similar education platforms, the SAFe-ASE study materials will allocate materials for multi-plate distribution, rather than random accumulation without classification. How users improve their learning efficiency is greatly influenced by the scientific and rational design and layout of the learning platform. The SAFe-ASE study materials are absorbed in the advantages of the traditional learning platform and realize their shortcomings, so as to develop the SAFe-ASE Study Materials more suitable for users of various cultural levels. If just only one or two plates, the user will inevitably be tired in the process of learning on the memory and visual fatigue, and the SAFe-ASE study materials provided many study parts of the plates is good enough to arouse the enthusiasm of the user, allow the user to keep attention of highly concentrated.
