## ACFE Certified Fraud Examiner - Investigation Exam Sample Questions (Q129-Q134):

### NEW QUESTION # 129

Which of the following is NOT one of the main limitations of conducting a search for public records using online databases?

- A. The online record might only be a brief abstract of the original.
- **B. Online records companies are difficult to find.**
- C. Fraud examiners often must search for public records in multiple jurisdictions.
- D. Fraud examiners must validate the accuracy of the records obtained online

**Answer: B**

Explanation:

Limitations of online public record searches include:

- \* Need to search multiple jurisdictions.
- \* Records are often only abstracts.
- \* Information must be verified for accuracy. There is no mention that online record vendors are "difficult to find." In fact, many such vendors exist.
