## SAP Certified Associate - Implementation Consultant - Managed gateway for spend management and SAP Business Network Sample Questions (Q21-Q26):

### NEW QUESTION # 21

You are defining the project connection for the Mediated Connectivity deployment. When will a specific system ID value be available for selection in the System ID field's drop-down menu?

- A. When the System ID is made available in the Resources section of the Managed Gateway for Spend&Network portal
- B. When you maintain the Logical System ID via the Global Settings activity in the Managed Gateway- AddOn
- C. When the middleware is fully integrated with the Managed Gateway for Spend&Network portal
- D. When you have the Basic Data or Trading Partner System information populated with that system ID in the Managed Gateway for Spend&Network portal

### Answer: A

Explanation:

From the "Creating a Connection for Mediated Connectivity Integration" module on learning.sap.com, the System ID value becomes available in the System ID dropdown menu when system information has been added in the Resources (also called 'Basic Data - Trading Partner System Information') section of the Spend & Network portal. SAP Learning

Among the provided options, the one that matches this description is: A.

When the System ID is made available in the Resources section of the Spend & Network portal So the correct answer is A.
