SAP's Organizational Change Management (OCM) framework, aligned with the SAP Activate methodology, is structured around several dimensions to ensure successful adoption of SAP S/4HANA Cloud Public Edition. These dimensions guide the transition of individuals, teams, and organizations to the new system.

TheSAP OCM Guidenotes, "Change effectiveness is assessed within other dimensions, such as realization, rather than as a standalone dimension."
* Option C: Change leadership involves activities to enable all management levels to handle the cloud implementation and deal with resistance.Correct. * SAP Activate Methodology Guide(SAP Community,https://community.sap.com): "SAP'sOrganizational Change Management
