NEW QUESTION # 120

A new Sheet tab in Excel is copied from an existing tab that contains a Smart View query, but clicking Refresh does not refresh the data and the Smart View (Point of View) POV bar does not display.

Which additional step is required to pull data in the new tab and change the POV?

- A. Disconnect from the Smart View connection, and relog in.
- B. Activate the Connection.
- C. Close out of Excel, and relog in to Smart View.
- D. **Change one of the Row or Column dimension members and click Refresh.**

Answer: D

NEW QUESTION # 121

Which statement

explains why, in the Consolidation dimension, the data for an entity in the FCCS_Entity Input member might be different than the data in the FCCS_Proportion member?

- A. The parent entity has a different currency than the child.
- B. **An intercompany elimination was performed.**
- C. A rate was entered into the FCCS_Rate Override account.
- D. An ownership percentage for the entity other than 100 was entered.

Answer: B

NEW QUESTION # 122

Security is enabled for the Account dimension, but you have not assigned member access rights to any users or groups.

What will be users' default access to members in the Account dimension?

- A. None
- B. Comment
- C. **Read**
- D. Write

Answer: C

Explanation:

The users' default access to members in the Account dimension when security is enabled but no member access rights are assigned is Read. This means that users can view data for any account member, but they cannot enter or modify data. Read is also the default access level for any dimension when security is enabled but no member access rights are assigned. The other options are not users' default access to members in the Account dimension when security is enabled but no member access rights are assigned. None means that users cannot view or modify data for any account member, which would prevent them from using the application. Comment means that users can view and comment on data for any account member, but they cannot enter or modify data. Write means that users can view and modify data for any account member, which would give them full access to the application. NEW QUESTION # 123

You have added a new task to a close schedule with a task due date past the defined end date of the schedule. What is the result of the change?

- A. The new task will run outside of the schedule end date.
- B. The task will not run.
- C. The schedule end date changes to match the end date of the task.
- D. An error, you can't add a new task past the due date.

Answer: C

Explanation:

When you add a new task to a schedule, it automatically is scheduled to start on the project's start date. As tasks are added to the schedule and connected to other tasks, the start times of tasks will change, and the last task to finish determines the project's finish date.
