NEW QUESTION # 89

Which of the following events aligns teams on a train?

- A. Iteration Planning
- B. Coach Sync
- C. PI Planning
- D. Architect Sync

Answer: C

Explanation:

PI Planning is one of the events that aligns teams on a train. PI Planning is a cadence-based event for the entire Agile Release Train (ART) that aligns teams and stakeholders to a shared mission and vision. PI Planning provides an opportunity for the ART to review the business context and priorities, identify and resolve dependencies and risks, and commit to a realistic and achievable plan for the next Program Increment (PI). PI Planning is essential to SAFe: If you are not doing it, you are not doing SAFe! (Must be taken from SAFe 6 Scrum Master resources) Reference:
