Cisco 350-601 Practice Test In Desktop Format

Are you bothered by looking for good exam materials of Cisco 350-601 test? Don't worry. Dumpkiller can provide you with everything you need. Should your requirement, Dumpkiller find an efficient method to help all candidates to pass 350-601 exam. Most candidates are preparing for IT certification exam while they working, which is a painstaking, laborious process. In order to avoid wasting too much time in preparing for the exam, Dumpkiller provides you with Cisco 350-601 Dumps that can help you pass the test in the short period of time. The dumps contain all problems in the actual test. So, as long as you make use of our dumps, 350-601 certificate exam will not a problem.

Cisco Implementing Cisco Data Center Core Technologies (350-601 DCCOR) Sample Questions (Q32-Q37):

NEW QUESTION # 32

An engineer must configure OSPF in the data center. The external routes have already been redistributed OSPF. The network must meet these criteria:

- * The data centre servers must reach services in the cloud and the services behind the redistributed routes.
- * The exit point toward the internet should be propagated only when there is a dynamically learned default route from the upstream router.

Which feature is required?

- A. Totally stubby area
- B. Default-information originate always

- C. Stubby area
- **D. Default-information originate**

Answer: D

Explanation:

NEW QUESTION # 33

Refer to the exhibit.

What is the result of this series of commands?

- **A. It activates the firmware on the next adapter boot.**
- B. It updates the firmware on adapter 1/1/1 immediately.
- C. It reboots the server immediately.
- D. It verifies the firmware update on the server.

Answer: A

NEW QUESTION # 34

A customer asks an engineer to develop an orchestration solution to automate repetitive tasks. The customer operations team must integrate the tool with its existing automation framework. The customer asks for the tool to support these requirements:

*The customer's security requirements mandate the use of SSH transport.

*No extra software must be installed on the managed systems.

*The support staff has limited knowledge of scripting languages, so the solution must be easy to read and use declarative language.

Which solution meets these requirements?

- A. Puppet
- **B. Ansible**
- C. PowerShell
- D. Chef

Answer: B

Explanation:

Ansible meets the requirements as it uses SSH for transport, does not require agent software to be installed on managed systems, and uses YAML for its playbooks, which is a human-readable data serialization standard, making it easy to read and use for people with limited knowledge of scripting languages.

NEW QUESTION # 35

Refer to the exhibit.

An engineer is configuring a VSAN on the network. Which option must be selected to create the VSAN?

- A. Common/Global
- **B. Fabric A**
- C. FC Zoning Enabled
- D. Fabric B

Answer: B

NEW QUESTION # 36

An infrastructure architect is analyzing the deployment type for an application. Several companies must be able to operate the application environment and integrate it with a third-party protocol.

The development team also must have maximum control over their development environment, including the operating system used, Python interpreter, and corresponding libraries.

Which cloud deployment solution meets these requirements?

- A. public cloud
Storage as a Service
- B. community cloud
Infrastructure as a Service
- C. private cloud
Platform as a Service
- D. hybrid cloud
Software as a Service

Answer: B

Explanation:

IaaS - Control everything (VM resources, OS and app like cPanel)

PaaS - Control just the cPanel app for example (like the app that is installed in the vm for example) SaaS - Only consume the service that the app gives (for example a dashboard app... that is hosted in the cPanel)

NEW QUESTION # 37

.....

For a long time, high quality is our 350-601 exam questions constantly attract students to participate in the use of important factors, only the guarantee of high quality, to provide students with a better teaching method, and at the same time the 350-601 practice quiz brings more outstanding teaching effect. Our high-quality 350-601 learning guide help the students know how to choose suitable for their own learning method, our 350-601 study materials are a very good option.
