

Exam Oracle 1Z0-182 Answers & Latest 1Z0-182 Exam Discount

What's more, part of that UpdateDumps 1Z0-182 dumps now are free: https://drive.google.com/open?id=1my9xR67062Ch0v_OCP5NTuh8DL3k-QgY

The features of the 1Z0-182 dumps are quite obvious that it is based on the exam pattern. As per exam objective, it is designed for the convenience of the candidates. This content makes them expert with the help of the 1Z0-182 practice exam. They can get 1Z0-182 exam questions in these dumps. Old ways of teaching are not effective for 1Z0-182 Exam Preparation. In this way students become careless. In our top 1Z0-182 dumps these ways are discouraged. Now make the achievement of 1Z0-182 certification easy by using these 1Z0-182 exam questions dumps because the success is in your hands now.

In the increasingly competitive IT industry, 1Z0-182 certification exam seems to be the basic condition of the development of the industry. If you want to pass the 1Z0-182 exam certification easier and quicker, it's a very feasible way for you to take advantage of UpdateDumps's Oracle 1Z0-182 Exam Training materials. We promise that after you purchase 1Z0-182 exam dumps, if you fail the 1Z0-182 exam certification, we will give a full refund.

Latest Oracle 1Z0-182 Exam Discount & Pdf Demo 1Z0-182 Download

Through our 1Z0-182 test torrent, we expect to design such an efficient study plan to help you build a high efficient learning attitude for your further development. Our 1Z0-182 study materials are cater every candidate no matter you are a student or office worker, a green hand or a staff member of many years' experience, 1Z0-182 Certification Training is absolutely good choices for you. Therefore, you have no need to worry about whether you can pass the 1Z0-182 exam, because we guarantee you to succeed with our accurate and valid 1Z0-182 exam questions.

Oracle Database 23ai Administration Associate Sample Questions (Q11-Q16):

NEW QUESTION # 11

Which three relationships between instances and Oracle databases are possible without using Multi-tenant?

- A. One instance on one server that has no database mounted.
- B. One instance on one server mounting multiple databases.
- C. One instance on one server mounting and opening multiple databases.
- D. One instance on one server mounting and opening one database.
- E. Two or more instances on separate servers all mounting and opening the same database.

Answer: A,D,E

Explanation:

- A .False. One instance can't mount multiple DBs without multitenant.
- B .True. RAC allows multiple instances to share one DB.
- C .False. Same as A; not possible without CDB.
- D .True. An instance can start in NOMOUNT with no DB.
- E .True. Standard single-instance configuration.

NEW QUESTION # 12

How do you validate that the database was migrated to Unified Auditing?

- A. By using the LSINVENTORY Command to query the Oracle Database Software Library.
- B. By executing DBMS_AUDIT_MGMT PL/SQL package in Verify mode.
- C. By querying V\$OPTION for parameter Unified Auditing.
- D. By querying the DBA_UNIFIED_AUDIT_OPTION view.

Answer: C

Explanation:

Unified Auditing is enabled at database creation or migration in 23ai. Let's analyze:

- A . By querying V\$OPTION for parameter Unified Auditing.
True. SELECT VALUE FROM V\$OPTION WHERE PARAMETER = 'Unified Auditing'; returns TRUE if enabled. It's the definitive way to confirm Unified Auditing is active at the database level.
Mechanics:V\$OPTION reflects compiled-in features; TRUE indicates the binary was linked with Unified Auditing (uniaudit=on during relink).
- Practical Use:Quick, reliable check post-migration or upgrade.
- B . By using the LSINVENTORY Command to query the Oracle Database Software Library.
False. LSINVENTORY (from OPatch) lists installed software components, not runtime features like auditing mode.
- C . By querying the DBA_UNIFIED_AUDIT_OPTION view.
False. This view doesn't exist; DBA_AUDIT_POLICIES or UNIFIED_AUDIT_TRAIL show policies and records but not migration status.
- D . By executing DBMS_AUDIT_MGMT PL/SQL package in Verify mode.
False. No "Verify mode" exists in DBMS_AUDIT_MGMT; it manages audit trails, not migration validation.

NEW QUESTION # 13

Which three Oracle database space management features will work with both Dictionary and Locally managed tablespaces?

- A. Capacity planning growth reports based on historical data in the Automatic Workload Repository (AWR).
- B. Oracle Managed Files (OMF).
- C. Automatic data file extension (AUTOEXTEND).
- D. Online table segment shrink.
- E. Online index segment shrink.

Answer: A,B,C

Explanation:

Dictionary-managed tablespaces (DMTs) use the data dictionary for extent management, whilelocally managed tablespaces (LMTs) use bitmaps. Let's evaluate compatibility:

- A . Capacity planning growth reports based on historical data in the Automatic Workload Repository (AWR).
True. AWR tracks space usage (e.g., DBA_HIST_TBSPC_SPACE_USAGE) regardless of tablespace type, enabling growth reports for both DMTs and LMTs.
- Mechanics:MMON collects metrics like segment growth, stored in SYSAUX, accessible via EM or scripts.

Practical Use: Helps predict when to add data files, universal across management types.

B . Online table segment shrink.

False. ALTER TABLE ... SHRINK SPACE requires LMTs with Automatic Segment Space Management (ASSM), unavailable in DMTs, which lack bitmap-based free space tracking.

Why Incorrect: DMTs use freelists, incompatible with shrink operations.

C . Online index segment shrink.

False. Like tables, ALTER INDEX ... SHRINK SPACE requires LMTs with ASSM, not supported in DMTs.

Why Incorrect: Same limitation as B; DMTs can't compact online.

D . Oracle Managed Files (OMF).

True. OMF automates file naming and placement (via DB_CREATE_FILE_DEST) for both DMTs and LMTs, agnostic to extent management.

Mechanics: Example: CREATE TABLESPACE ts1; creates an OMF file in either type.

Edge Case: DMTs are rare in 23ai, but OMF still applies.

E . Automatic data file extension (AUTOEXTEND).

True. AUTOEXTEND ON allows data files to grow as needed, supported in both DMTs and LMTs since early versions.

Mechanics: ALTER DATABASE DATAFILE ... AUTOEXTEND ON NEXT 100M; works universally.

NEW QUESTION # 14

You execute this command: CREATE BIGFILE TABLESPACE big_tbs DATAFILE '/u01/oracle/data/big_f1.dbf' SIZE 20G; Sufficient storage is available in filesystem /u01. Which two statements are true about the BIG_TBS tablespace?

- A. It will always have a 32K blocksize.
- **B. Additional data files may not be added.**
- **C. AUTOEXTEND is possible for the datafile.**
- D. It will be a dictionary-managed tablespace by default.
- E. It must be bigger than the largest SMALLFILE tablespace.

Answer: B,C

Explanation:

A .False. LMT is default in 23ai.

B .True. Bigfile tablespaces have one data file only.

C .True. AUTOEXTEND works with bigfile data files.

D .False. Block size defaults to DB_BLOCK_SIZE (e.g., 8K).

E .False. No size comparison requirement.

NEW QUESTION # 15

You must create a tablespace of nonstandard block size in a new file system and plan to use this command: CREATE TABLESPACE ns_tbs DATAFILE '/u02/oracle/data/nstbs_f01.dbf' SIZE 100G BLOCKSIZE 32K; The standard block size is 8K, but other nonstandard block sizes will also be used. Which two are requirements for this command to succeed?

- A. DB_32K_CACHE_SIZE must be less than DB_CACHE_SIZE.
- B. The operating system must use a 32K block size.
- **C. The /u02 file system must have at least 100G space for the datafile.**
- **D. DB_32K_CACHE_SIZE must be set to a value that can be accommodated in the SGA.**
- E. DB_32K_CACHE_SIZE should be set to a value greater than DB_CACHE_SIZE.

Answer: C,D

Explanation:

A .False. No such restriction exists; DB_32K_CACHE_SIZE is independent of DB_CACHE_SIZE.

B .True. A nonstandard block size (32K) requires a corresponding cache (DB_32K_CACHE_SIZE) set to a non-zero value within SGA limits.

C .False. OS block size is irrelevant; Oracle manages its own block sizes.

D .False. No requirement for it to exceed DB_CACHE_SIZE.

E .True. The file system must have 100G available for the datafile.

NEW QUESTION # 16

.....

To go with the changing neighborhood, we need to improve our efficiency of solving problems, which reflects in many aspect as well as dealing with 1Z0-182 exams. Our 1Z0-182 practice materials can help you realize it. To those time-sensitive exam candidates, our high-efficient 1Z0-182 Actual Tests comprised of important news will be best help. Only by practicing them on a regular base, you will see clear progress happened on you. You can download 1Z0-182 exam questions immediately after paying for it, so just begin your journey toward success now

Latest 1Z0-182 Exam Discount: <https://www.updatedumps.com/Oracle/1Z0-182-updated-exam-dumps.html>

The product available at UpdateDumps includes Oracle 1Z0-182 real dumps pdf and mock tests (desktop and web-based), This online Oracle 1Z0-182 exam is also compatible with all operating systems, Oracle Exam 1Z0-182 Answers Not corresponding exams, But most of them are not valid and people who study with them fail in the Oracle Database 23ai Administration Associate (1Z0-182) Exam and lose their resources, I just wanted to let you know that I took my exam Oracle Latest 1Z0-182 Exam Discount today and PASSED!!!!

In the first interaction, you deliver the dirty laundry, and 1Z0-182 in the second you go back to pick up the cleaned items, Do you regularly access shares or servers on your network?
