HPE0-J68 Exam Bible - Dumps HPE0-J68 Cost

A whole new scope opens up to you and you are immediately hired by reputed firms. Even though the HP HPE0-J68 certification boosts your career options, you have to pass the HPE0-J68 Exam. This HP HPE0-J68 exam serves to filter out the capable from incapable candidates.

HP HPE0-J68 exam is intended for storage architects, system engineers, and technical consultants who have experience in designing and developing storage solutions. HPE0-J68 exam covers a range of topics, including storage architecture, data protection, networking, and multi-site storage solutions. HPE0-J68 Exam also tests the candidate's knowledge of HPE storage products and solutions, including HPE StoreOnce, HPE 3PAR, and HPE Nimble.

HPE Storage Solutions Sample Questions (Q64-Q69):

NEW QUESTION # 64

Which HPE storage solutions offer a two-tier backup solution for hybrid cloud with optimal recovery time? (Choose two.)

- A. Simplivity 380
- B. Nimble CS series
- C. Nimble SF series
- D. 3PAR 8000 series
- E. StoreOnce with Catalyst

Answer: D,E

Explanation:

HPE offers several storage solutions that provide optimized backup and recovery solutions for hybrid cloud environments: HPE StoreOnce with Catalyst: This solution provides an efficient, two-tier backup architecture that integrates with cloud storage, offering deduplication and data movement capabilities. It ensures fast recovery times and supports hybrid cloud environments, where backups can be seamlessly moved to the cloud for DR protection and retrieved quickly when needed.

HPE 3PAR 8000 Series: The HPE 3PAR StoreServ 8000 series includes robust data protection features, such as snapshot and replication capabilities, which can be integrated with cloud services through solutions like CloudBank. This integration allows for efficient, cloud-enabled data protection, optimizing recovery time and offering flexibility in a hybrid cloud environment.

These solutions provide a comprehensive approach to data protection, ensuring fast recovery times while leveraging the cloud for long-term storage and disaster recovery.

HPE 3PAR StoreServ 8000

NEW QUESTION # 65

A customer is concerned about media and transmission errors caused by any component in the I/O stack from the server host bus adapter (HBA) into the HPE 3PAR StoreServ ports.

Which feature will address the customer's concern?

- A. Peer Persistence
- B. Persistent Cache
- C. Persistent Ports
- D. **Persistent Checksum**

Answer: D

Explanation:

Persistent Checksum is a feature in HPE 3PAR StoreServ that helps detect and correct media and transmission errors that may occur anywhere in the I/O stack, from the server's Host Bus Adapter (HBA) to the HPE 3PAR StoreServ ports. This feature ensures data integrity by verifying that data read from or written to the storage array matches the original data, providing an extra layer of protection against data corruption caused by hardware issues or transmission errors.

NEW QUESTION # 66

You are presenting the HPE StoreEver portfolio to a media agency.

What advantage is offered when using LTFS?

- A. file encryption with public and private key management
- B. **file management capabilities will be provided with tape cartridges**
- C. file and block data management within an HPE HSM solution
- D. WORM functionality for file, block and object storage access on tape

Answer: B

NEW QUESTION # 67

A large organization is experiencing exponential data growth of object storage due to recent mergers and acquisition .They need an on-premise solution to optimize cost at petabyte scale Which components should you recommend for a software-defined solution ? (select two)

- A. HPE Synergy 660 Gen10 compute modules
- B. HPE 3PAR Storeserv 9450c
- C. **HPE Appolo 4510 server**
- D. HPE complete -CTERA
- E. **HPE Complete -Scalability RING**

Answer: C,E

NEW QUESTION # 68

A customer implemented the HPE StoreEver MSL6480 Tape Library. Which HPE Software can the system administrator use to

check the health of the library and monitor its utilization?

- A. InfoSight
- B. OneView
- C. **StoreServe TapeAssure Advanced**
- D. StoreEver Data Verification

Answer: C

NEW QUESTION # 69

Life will always face a lot of choices. When we choose to work, we will also be selected by the job in reverse. And today, in an era of fierce competition, how can we occupy a place in a market where talent is saturated? The answer is a certificate. What the certificate main? All kinds of the test HP certification, prove you through all kinds of qualification certificate, it is not hard to find, more and more people are willing to invest time and effort on the HPE0-J68 Study Materials, because get the test HPE0-J68 certification is not an easy thing, so, a lot of people are looking for an efficient learning method. And here, fortunately, you have found the HPE0-J68 study materials, a learning platform that can bring you unexpected experiences.
