PRAXIS Praxis Business Education: Content Knowledge (5101) Exam Sample Questions (Q52-Q57):

NEW QUESTION # 52

Which of the following terms refers to a prescribed code of behavior for communicating over the Internet?

- A. Piracy
- **B. Netiquette**
- C. Hacking
- D. Privacy

Answer: B

Explanation:

Netiquette refers to the set of informal rules and etiquette governing respectful and appropriate communication on the Internet.

Option A (privacy) relates to data protection, not communication behavior.

Option B (piracy) involves illegal copying of software or media. Option C (hacking) refers to unauthorized system access. This question falls under the Information Technology category, focusing on online communication standards.

NEW QUESTION # 53

For the development and maintenance of a business webpage, it is essential that

- A. the server be maintained in-house
- B. the most current software be used
- **C. the webpage be continuously updated**
- D. the hardware support video and sound

Answer: C

Explanation:

A business webpage must be continuously updated to ensure content remains relevant, accurate, and engaging, maintaining customer trust and search engine rankings. Option A (current software) is important but not essential, as older software can still function.

Option C (video and sound support) is optional, depending on the webpage's purpose. Option D (in-house server) is not necessary, as many businesses use third-party hosting. This question aligns with the Information Technology category, emphasizing web management.

NEW QUESTION # 54

Which of the following are used to refine a search on the Internet?

- A. Batch files
- **B. Boolean operators**
- C. Default commands
- D. Macros

Answer: B

Explanation:

Boolean operators (e.g., AND, OR, NOT) are used to refine Internet searches by combining or excluding terms to narrow or expand results.

Option B (macros) automates tasks in software, not searches. Option C (default commands) is vague and not specific to search refinement.

Option D (batch files) automates computer tasks, not Internet searches. This question falls under the Information Technology category, focusing on information retrieval.

Reference:ETS Praxis Business Education: Content Knowledge (5101) Study Companion, Section on Information Technology; Information Systems, Chapter 7.

NEW QUESTION # 55

Which of the following statements most accurately describes the partnership form of a business organization?

- A. Owners do not have control of daily decisions unless they are officers of the partnership.
- **B. Each partner is fully liable for all debts incurred by the partnership.**
- C. Owners' liability is limited to the amount of their investment in the partnership.
- D. A partnership is more difficult and expensive to start up than a corporation.

Answer: B

Explanation:

In a general partnership, each partner has unlimited liability, meaning they are fully responsible for all partnership debts, regardless of their investment. Option A describes limited liability, applicable to corporations or limited partnerships. Option C is incorrect, as partnerships are simpler and less costly to start than corporations. Option D is incorrect, as partners typically have control over daily decisions. This question falls under the Entrepreneurship category, focusing on business structures.

NEW QUESTION # 56

A valuable student benefit of school-based enterprises (SBEs) is that SBEs provide students an opportunity to

- A. develop a skill in lieu of attending college
- B. earn extra money during the school day
- **C. learn and connect with real-world skills**
- D. work during study hall and lunch periods

Answer: C

Explanation:

School-based enterprises (SBEs) are student-run businesses that provide hands-on learning, allowing students to develop and connect with real-world business skills, such as marketing and management. Option A (earning money) is not the primary educational goal. Option B (in lieu of college) is not a universal outcome.

Option D (work during study hall) is logistical, not a benefit. This question falls under the Professional Business Education category, emphasizing experiential learning.
