NEW QUESTION # 18

You want to send your purchasing documents from a specific organization-wide email address.
What task would you use to set this up?

- A. Manage Purchasing Profile Options
- B. Manage Purchasing Value Sets
- C. Manage Purchasing Profile Messaging Options
- D. Manage Purchasing Application Core Messages
- E. Manage Purchasing Messages

Answer: A

Explanation:
To send your purchasing documents from a specific organization-wide email address, you need to use the task Manage Purchasing Profile Options. This task allows you to configure various profile options that control the behavior and functionality of the Purchasing application. One of these profile options is PO: Email Sender Address, which specifies the email address that appears in the From field of the email notifications sent to suppliers and internal users. You can set this profile option at the site level to apply it to all business units, or at the product level to apply it to a specific business unit.

NEW QUESTION # 19

When you are creating your purchase orders, you want to be able to apply discounts to all purchase order lines with a single action and have opted in to the feature.
Which are the two conditions when the base price CANNOT be changed?

- A. The purchase order line is included on a Procurement Contract.
- B. The purchase order tine is created from a punchout marketplace that does not allow the price to be changed.
- C. The purchase order line is received or billed, and the procurement business unit configuration does not allow manual price updates.
- D. The purchase order line is for catalog items.

Answer: A,B

Explanation:

The base price of a purchase order line cannot be changed if the line is created from a punchout marketplace that does not allow the price to be changed, or if the line is included on a procurement contract. These are the two conditions that prevent the application of discounts to all purchase order lines with a single action.
