Oracle 1z0-1042-24 Reliable Practice Questions | Exam 1z0-1042-24 Dump

BONUS!!! Download part of Actual4test 1z0-1042-24 dumps for free: https://drive.google.com/open?id=1Giu92e6gTssY7sLbA_hmAcp5UJDllJJK

Are you ready to take your career to the next level with the Oracle Cloud Infrastructure 2024 Application Integration Professional (1z0-1042-24)? Look no further than Actual4test for all of your Oracle Cloud Infrastructure 2024 Application Integration Professional (1z0-1042-24) exam needs. Our comprehensive and cost-effective solution includes regularly updated Oracle 1z0-1042-24 Exam Questions, available in a convenient PDF format that can be downloaded on any device, including PC, laptop, mac, tablet, and smartphone.

Our professionals constantly keep testing our 1z0-1042-24 vce dumps to make sure the accuracy of our exam questions and follow the latest exam requirement. We will inform our customers immediately once we have any updating about 1z0-1042-24 Real Dumps and send it to their mailbox. The feedback of most customers said that most questions in our 1z0-1042-24 exam pdf appeared in the actual test.

Exam 1z0-1042-24 Dump - 1z0-1042-24 Certification Dumps

Different from general education training software, our 1z0-1042-24 exam questions just need students to spend 20 to 30 hours practicing on the platform which provides simulation problems, can let them have the confidence to pass the 1z0-1042-24 exam, so little time great convenience for some workers, how efficiency it is. Time is money, in today's increasingly pay attention to efficiency, we should use time in the right place, with low time get high scores in return, the 1z0-1042-24 Latest Exam torrents are very good to do this.

Oracle 1z0-1042-24 Exam Syllabus Topics:

Topic	Details
Topic 1	• Creating Orchestrated Integrations: This part of the exam evaluates the candidate's skills in creating and managing orchestrated integrations using OIC. Candidates should be able to manage OIC lookups, use the OIC Data Mapper, and incorporate custom JavaScript libraries into their integrations.
Topic 2	• Getting Started with OIC Integrations: This section tests the ability of IT professionals and integration specialists to understand the fundamental components and concepts of Oracle Integration Cloud (OIC). Candidates are expected to describe the key features of OIC integration and explain core integration concepts.
Topic 3	• Using OIC Connections & Adapters: Candidates must demonstrate their ability to create and configure OIC connections, including trigger and invoke connections. They should be familiar with the Connectivity Agent, which facilitates on-premises connectivity to OIC services.
Topic 4	• Testing, Monitoring, and Troubleshooting Integrations: This section assesses candidates abilities in testing, monitoring, and troubleshooting integrations within the OIC.
Topic 5	• Creating Scheduled Integrations: In this section of the exam, candidates are evaluated based on their skills in managing scheduled integrations. This includes converting scheduled integrations to app-driven integrations and understanding the scheduling options within the OIC.

Oracle Cloud Infrastructure 2024 Application Integration Professional Sample Questions (Q50-Q55):

NEW QUESTION # 50
Which statement is valid regarding connection resources in Oracle Integration Cloud (OIC)?

- A. All connection configurations require the association of an active OIC Connectivity Agent group.
- B. Connection resources can be configured with either a Trigger role or an Invoke role, but not both.
- C. All connection resources must be associated with an adapter type regardless of role configuration.
- D. Each connection associated with a SaaS adapter type also requires a lookup component configuration.

Answer: C

Explanation:
Comprehensive and Detailed Explanation:
Connections in OIC:
* C:True-all connections require an adapter type (e.g., REST, SOAP) to define interaction.
* A:False-lookups are optional.
* B:False-agents are only for on-premises access.

NEW QUESTION # 51
Where in the Observability pages can you view aggregated instance metrics for an integration, such as the total counts and the minimum (quickest), maximum (slowest), average (mean), and standard (largest) deviation execution times for a selected time period?

- A. The View Statistics icon of the integration on the Monitor Integrations page
- B. The View Statistics icon of the integration on the Instances page
- C. The Statistics icon in the integration's activity stream on the Errors page
- D. The Statistics icon of the integration in the Overview section of the Dashboards page

Answer: A

Explanation:
Comprehensive and Detailed Explanation:
Metrics Location:
* A:True-Monitor Integrations page offers stats.

NEW QUESTION # 52
Which operation is NOT supported by an Oracle Integration Cloud (OIC) connection resource configured with FTP Adapter in the Invoke role?

- A. Read File
- B. Delete File
- C. Download File
- D. Read File in Segments
- E. Write File

Answer: D

Explanation:
Comprehensive and Detailed Explanation:
The OIC FTP Adapter in theInvoke rolefacilitates interactions with an FTP server from an integration flow.
Let's break down each operation with exhaustive detail:
* Option A: Write File
* Supported:The FTP Adapter allows writing files to an FTP server. For example, you could use a Stage File action to prepare a CSV file and then invoke the FTP Adapter to write it to a remote directory like /inbound. This is a core capability for outbound file transfers.
* Option B: Read File
* Supported:Reading an entire file from an FTP server is possible in Invoke mode. You specify a file path (e.g., /outbound/data.csv), and the adapter retrieves itscontents, useful for processing complete files in one go, like a daily report.
* Option C: Read File in Segments
* Not Supported (Answer):This operation, which processes large files incrementally (e.g., 100 records at a time), is exclusive to theTrigger roleor Stage File actions, not the Invoke role of the FTP Adapter. In Invoke mode, the adapter doesn't support segmented reading because it's designed for direct, one-shot operations rather than iterative processing. For segmented reads, you'd use a File Adapter in Trigger mode or Stage File with a Connectivity Agent.
* Option D: Delete File
* Supported:Deleting a file on the FTP server (e.g., /archive/oldfile.txt) is a standard Invoke operation, often used for cleanup after processing.
* Option E: Download File
* Supported:Downloading retrieves a file to OIC for further processing, similar to Read File but typically implies storing it locally in the integration flow (e.g., staging it).
Why C is the answer:The Invoke role focuses on discrete actions (write, read, delete, download), not iterative tasks like segmented reading, which requires a polling mechanism better suited to Trigger roles or Stage File actions.
Edge Case:If you need segmented reading from an FTP server, you'd download the file first using Invoke, then use a Stage File action to process it in segments- a workaround, not a direct capability.
Use Case Example:An integration writing a sales report to FTP (A), downloading a log file (E), and deleting an old backup (D) works fine, but attempting to read a 10GB file in segments (C) fails in Invoke mode.

NEW QUESTION # 53
Which set of operations are supported by the Oracle Integration Cloud (OIC) File Adapter?

- A. Read, write, list
- B. Read, write
- C. Read, write, list, download, move, delete
- D. Read, write, list, download
- E. Read, write, list, download, move

Answer: C

Explanation:
Comprehensive and Detailed Explanation:
File Adapter operations:
* D:True-supports read, write, list, download, move, delete.

NEW QUESTION # 54
Which two are ways the Oracle Internet of Things (IoT) Cloud Service environment can be accessed?

- A. Using SOAP Interface
- B. Using Web Browser
- C. Using a desktop client
- D. Using REST Interface

Answer: B,D

NEW QUESTION # 55
......

Perhaps the path to successful pass the 1z0-1042-24 is filled variables, but now there is only one possibility to successfully obtain a 1z0-1042-24 certification. That is to download and use our 1z0-1042-24 study materials. Trying to become a 1z0-1042-24 certified professional. Then join our preparation kit. 1z0-1042-24 is an excellent platform that provides an 1z0-1042-24 study materials that are officially equipped by an expert. Our 1z0-1042-24 Exam Material can be studied and passed quickly within one week of the exam. Our 1z0-1042-24 exam materials will give you the best knowledge of the contents of the 1z0-1042-24 exam certification course outline. Our 1z0-1042-24 materials provide you with the best learning prospects and give you more than you expect by adopting minimal effort.
