

Reliable Cisco 350-501 Test Dumps & 350-501 Pdf Dumps

P.S. Free 2026 Cisco 350-501 dumps are available on Google Drive shared by Prep4away: https://drive.google.com/open?id=1EOIa_fKOW1GFP9VfFRtfgOyjWsPh__v4

Great concentrative progress has been made by our company, who aims at further cooperation with our candidates in the way of using our 350-501 exam engine as their study tool. Owing to the devotion of our professional research team and responsible working staff, our 350-501 Training Materials have received wide recognition and now, with more people joining in the 350-501 exam army, we has become the top-raking 350-501 learning guide provider in the international market.

Once you ensure your grasp on the 350-501 Questions and answers, evaluate your learning solving the 350-501 practice tests provided by our testing engine. This innovative facility provides you a number of practice questions and answers and highlights the weak points in your learning. You can improve the weak areas before taking the actual test and thus brighten your chances of passing the exam with an excellent score. Moreover, doing these practice tests will impart you knowledge of the actual exam format and develop your command over it.

350-501 Pdf Dumps | 350-501 Valid Guide Files

You will have a sense of achievements when you finish learning our 350-501 study materials. During your practice of the 350-501 preparation guide, you will gradually change your passive outlook and become hopeful for life. We strongly advise you to have a brave attempt. You will never enjoy life if you always stay in your comfort zone. And our 350-501 Exam Questions will help you realize your dream and make it come true.

Cisco Implementing and Operating Cisco Service Provider Network Core Technologies Sample Questions (Q538-Q543):

NEW QUESTION # 538

Which two routing protocols support Cisco MPLS TE tunnels? (Choose two.)

- A. OSPF
- B. BGP

- C. IS-IS
- D. EIGRP
- E. RIP

Answer: A,C

Explanation:

* Cisco MPLS TE tunnels can be established using IS-IS and OSPF as the routing protocols. These protocols allow the creation of traffic-engineered paths within the MPLS network.

Implementing and Operating Cisco Service Provider Network Core Technologies course materials.

NEW QUESTION # 539

After troubleshooting multiple outages on the network due to repeated configuration errors, the network architect asked an engineer to enable NETCONF to facilitate future configurations. The configuration must enable syslog messaging to record NETCONF notifications from each of the numerous devices on the network. Which configuration must the engineer apply?

- A. `username cisco test taker privilege 15 password 0 cisco test`
`aaa new-model`
`aaa authorization exec default local`
`snmp-server community cisco test RW`
`netconf-yang cisco-ia snmp-community-string ciscotest`
`logging history warnings`
- B. `netconf-yang`
`username ciscotesttaker privilege 15 password 0 ciscotest`
`aaa new-model`
`aaa authorization exec default local`
`snmp-server community ciscotest RW`
`netconf-yang cisco-ia snmp-community-string ciscotest`
`logging history debugging`
- C. `netconf-yang`
`username ciscotesttaker privilege 15 password 0 ciscotest`
`snmp-server community ciscotest RW`
`netconf-yang cisco-ia snmp-community-string ciscotest`
`logging history informational`
- D. `username cisco test taker privilege 15 password 0 ciscotest`
`aaa new-model`
`aaa authorization exec default local`
`snmp-server community ciscotest RW`
`netconf-yang cisco`
`logging history critical`

Answer: B

- A. Option C
- B. Option D
- C. Option B
- D. Option A

Answer: A

Refer to the exhibit. Which the link aggregation configuration router is running on Cisco IOS XR software, which LACP interface configuration is needed to add the interface to the bundle?

```
!  
interface Bundle-Ether1  
description link-aggregation  
mtu 9216  
bundle minimum-active links 2  
load interval 30  
!
```

```
interface TenGigE0/1/0/5  
description bundle_1_link  
bundle id 1  
load interval 30
```

```
interface TenGigE0/1/0/6  
description bundle_1_link  
bundle id 1  
load interval 30
```

• A.

```
interface TenGigE0/1/0/5  
description bundle_1_link  
id 1 mode active  
load interval 30
```

```
interface TenGigE0/1/0/6  
description bundle_1_link  
id 1 mode active  
load interval 30
```

• B.

```
interface TenGigE0/1/0/5  
description bundle_1_link  
bundle id 1 mode active  
load interval 30
```

```
interface TenGigE0/1/0/6  
description bundle_1_link  
bundle id 1 mode active  
load interval 30
```

• C.

```
interface TenGigE0/1/0/5
description bundle_1_link
bundle mode active
load interval 30
```

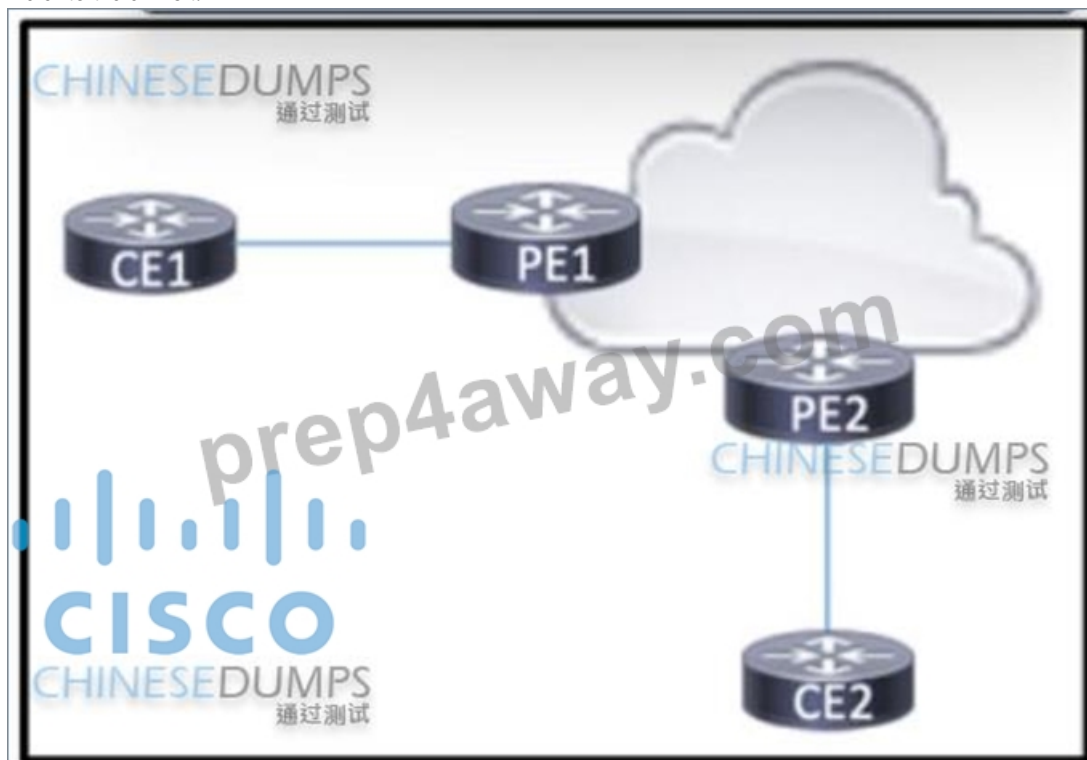

```
interface TenGigE0/1/0/6
description bundle_1_link
bundle mode active
load interval 30
```

- D.

Answer: C

NEW QUESTION # 542

Refer to the exhibit.

Refer to the exhibit BGP is running in the core of the service provider to exchange routes for its customers, and OSPF serves as the PE-CE routing protocol. The service provider's existing customer at CE1 is opening a new office in a different geographical location connected via CE2. A network engineer must update the BGP implementation so that PE1 and PE2 will share routes and provide communication between CE1 and CE2. Which action must the engineer take?

- A. Configure PE1 and PE2 to redistribute OSPF from the VRF for the customer into BGP.
- **B. Configure PE1 and PE2 to mutually redistribute BGP and OSPF in the VRF for the customer.**
- C. Configure CE2 to establish a BGP relationship with PE1 and PE2.
- D. Configure CE1 and CE2 with a pseudowire that will run over the service provider core.

Answer: B

Explanation:

In this scenario, BGP is used in the core of the service provider network, while OSPF serves as the PE-CE routing protocol. To ensure communication between CE1 and CE2, which are located in different geographical locations, it's essential for PE1 and PE2 to share routes. This can be achieved by configuring both PEs to mutually redistribute BGP and OSPF routes within the VRF dedicated for that customer, ensuring seamless communication between both customer endpoints. Reference: Implementing and

NEW QUESTION # 543

.....

Time and tides wait for no man. Take away your satisfied 350-501 preparation quiz and begin your new learning journey. You will benefit a lot after you finish learning our 350-501 study materials just as our other loyal customers. Live in the moment and bravely attempt to totally new things. You will harvest meaningful knowledge as well as the shining 350-501 Certification that so many candidates are dreaming to get.
