NEW QUESTION # 86

What can be used to override the Account's standard Edit button for Lightning Experience?

- A. Lightning action
- B. Lightning flow
- C. Lightning page
- **D. Lightning component**

Answer: D

Explanation:

A Lightning Component can be used to override the Account's standard Edit button for Lightning Experience. This allows the developer to create a custom page with custom fields and custom functionality that can be used instead of the standard Edit page. It also allows for the creation of custom navigation and buttons to make the user experience more intuitive and efficient.
