What's more, part of that DumpsFree 312-38 dumps now are free: <https://drive.google.com/open?id=1E97q9pRuON7VvqW5-pWcY5OpNBva473>

As an old saying goes: Practice makes perfect. Facts prove that learning through practice is more beneficial for you to learn and test at the same time as well as find self-ability shortage in 312-38 test prep. The PC test engine of our 312-38 exam torrent is designed for such kind of condition, when the system of the 312-38 Exam Torrent has renovation of production techniques by actually simulating the test environment. Until then, you will have more practical experience and get improvement rapidly through our 312-38 quiz guide.

The EC-Council Certified Network Defender (CND) certification exam is a highly respected and widely recognized certification in the field of network security. It is designed to validate the skills and knowledge of professionals who are responsible for protecting the integrity of their organization's network infrastructure. EC-Council Certified Network Defender CND certification covers a range of topics including network security, network defense, and ethical hacking, and is recognized by many organizations as a standard for network security professionals.

The EC-Council 312-38 is a mandatory exam for all candidates pursuing the EC-Council Certified Network Defender (CND) certification. This is a skill-based learning path that aims to create competent network administrators who can protect, detect, and respond to rampant security threats on computer networks.

EC-COUNCIL 312-38 Exam is a vendor-neutral certification, which means that it is not specific to any particular type of hardware or software. This makes it an ideal certification for professionals who work with a variety of different network systems and technologies. EC-Council Certified Network Defender CND certification is recognized worldwide, which means that professionals who hold the certification are highly sought after by employers around the globe.

## Valid 312-38 Test Online, 312-38 Questions Pdf

The purchase process of our 312-38 question torrent is very convenient for all people. In order to meet the needs of all customers, our company is willing to provide all customers with the convenient purchase way. The PDF version of our 312-38 study tool is very practical, which is mainly reflected on the special function. As I mentioned above, our company are willing to provide all people with the demo for free. You must want to know how to get the trial demo of our 312-38 question torrent; the answer is the PDF version. You can download the free demo form the PDF version of our 312-38 exam torrent. Maybe you think it does not prove the practicality of the PDF version, do not worry, we are going to tell us another special function about the PDF version of our 312-38 study tool.

## EC-COUNCIL EC-Council Certified Network Defender CND Sample

## Questions (Q77-Q82):

### NEW QUESTION # 77

#### CORRECT TEXT

Fill in the blank with the appropriate term.

The \_\_\_\_\_ model is a description framework for computer network protocols and is sometimes called the Internet Model or the DoD Model.

#### Answer:

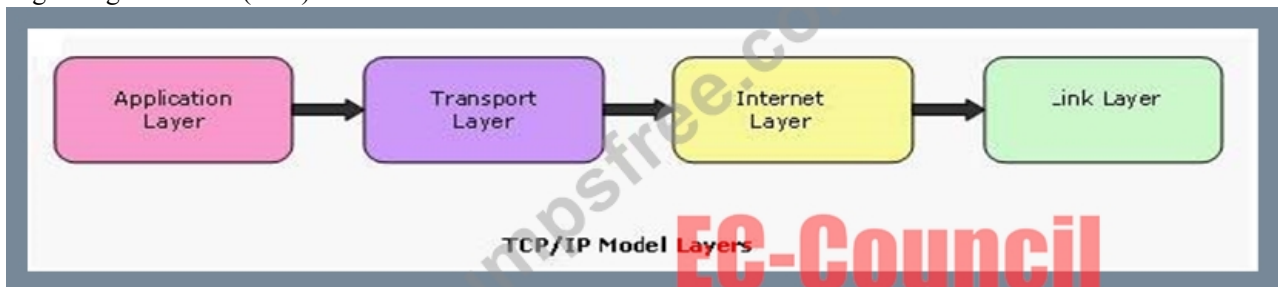

Explanation:

TCP

/IP

Explanation:

The TCP/IP model is a description framework for computer network protocols. It describes a set of general design guidelines and implementations of specific networking protocols to enable computers to communicate over a network. TCP/IP provides end-to-end connectivity specifying how data should be formatted, addressed, transmitted, routed and received at the destination. Protocols exist for a variety of different types of communication services between computers. The TCP/IP Model is sometimes called the Internet Model or the DoD Model. The TCP/IP model has four unique layers as shown in the image. This layer architecture is often compared with the seven-layer OSI Reference Model. The TCP/IP model and related protocols are maintained by the Internet Engineering Task Force (IETF).

### NEW QUESTION # 78

Which among the following options represents professional hackers with an aim of attacking systems for profit?

- A. Cyber terrorists
- B. Script kiddies
- C. Hacktivists
- D. Organized hackers

#### Answer: D

Explanation:

Organized hackers are professional cybercriminals who often work in groups and are motivated by financial gain. They are known for their skills and the ability to carry out sophisticated attacks on systems for profit. Unlike script kiddies, who lack advanced skills and typically use readily available tools, organized hackers use custom-developed tools and methods. Hacktivists are motivated by political or social causes, and cyber terrorists aim to use cyber attacks to create fear or political change, not necessarily for profit.

### NEW QUESTION # 79

Which of the following IEEE standards adds QoS features and multimedia support?

- A. 802.11a
- B. 802.11e
- C. 802.11b
- D. 802.5

#### Answer: B

### NEW QUESTION # 80

Which of the following is the primary international body for fostering cooperative standards for telecommunications equipment and systems?

- A. CCITT
- B. NIST
- C. IEEE
- D. ICANN

**Answer: A**

Explanation:

CCITT is the primary international body for fostering cooperative standards for telecommunications equipment and systems. It is now known as the ITU-T (for Telecommunication Standardization Sector of the International Telecommunications Union). The ITU-T mission is to ensure the efficient and timely production of standards covering all fields of telecommunications on a worldwide basis, as well as defining tariff and accounting principles for international telecommunication services.

Answer option A is incorrect. Internet Corporation for Assigned Names and Numbers (ICANN) is a non-profit organization that oversees the allocation of IP addresses, management of the DNS infrastructure, protocol parameter assignment, and root server system management.

Answer option B is incorrect. The Institute of Electrical and Electronic Engineers (IEEE) is a society of technical professionals. It promotes the development and application of electro-technology and allied sciences. IEEE develops communications and network standards, among other activities. The organization publishes number of journals, has many local chapters, and societies in specialized areas.

Answer option C is incorrect. The National Institute of Standards and Technology (NIST), known between 1901 and 1988 as the National Bureau of Standards (NBS), is a measurement standards laboratory which is a non-regulatory agency of the United States Department of Commerce. The institute's official mission is as follows:

To promote U.S. innovation and industrial competitiveness by advancing measurement science, standards, and technology in ways that enhance economic security and improve quality of life.

NIST had an operating budget for fiscal year 2007 (October 1, 2006-September 30, 2007) of about \$843.3 million. NIST's 2009 budget was \$992 million, but it also received \$610 million as part of the American Recovery and Reinvestment Act. NIST employs about 2,900 scientists, engineers, technicians, and support and administrative personnel. About 1,800 NIST associates (guest researchers and engineers from American companies and foreign nations) complement the staff. In addition, NIST partners with 1,400 manufacturing specialists and staff at nearly 350 affiliated centers around the country.

### NEW QUESTION # 81

Which of the following tools is a free portable tracker that helps the user to trace the laptop if it is stolen?

- A. Nessus
- B. Adepta
- C. bridle
- D. SAINT
- E. None

**Answer: B**

### NEW QUESTION # 82

.....

The EC-Council Certified Network Defender CND (312-38) study material of DumpsFree is available in three different and easy-to-access formats. The first one is printable and portable EC-Council Certified Network Defender CND (312-38) PDF format. With the PDF version, you can access the collection of actual EC-Council Certified Network Defender CND (312-38) questions with your smart devices like smartphones, tablets, and laptops.
