NEW QUESTION # 108

What is required when creating portal users through Just-Time (JIT) provisioning?

- A. Organization_id
- **B. FederationIdentifier**
- C. User.Role
- D. FirstName

Answer: B

Explanation:

The requirement when creating portal users through Just-In-Time (JIT) provisioning is A. JIT provisioning is a feature that allows you to create portal users on demand when they log in using an external identity provider, such as Facebook or Google. To use JIT provisioning, you need to have a FederationIdentifier field on the user object, which is a unique identifier that links the portal user

with the external identity provider.

The FederationIdentifier field must match the value of the NameID element in the SAML assertion sent by the identity provider.
