

# Visual CEM Cert Exam, CEM Free Sample Questions

P.S. Free & New CEM dumps are available on Google Drive shared by Actualtests4sure: <https://drive.google.com/open?id=1AgLZ-F6tq4TWCArv5rhdV-n4e6PvwzI>

With the rapid market development, there are more and more companies and websites to sell CEM guide torrent for learners to help them prepare for CEM exam. If you have known before, it is not hard to find that the CEM study materials of our company are very popular with candidates, no matter students or businessman. Welcome your purchase for our CEM Exam Torrent. As is an old saying goes: Client is god! Service is first! It is our tenet, and our goal we are working at!

With our AEE CEM exam questions material, we promise your success in AEE certification. We guarantee that if you study completely from our practice AEE CEM exams, you will pass your AEE CEM exam with flying colors on the first try. If you are pressed for time when studying for the Certified Energy Manager (CEM) PDF Questions and working several jobs, PDF format is the ideal option. Because the Actualtests4sure follows every bit of the official Certified Energy Manager (CEM) exam syllabus to compile the most relevant AEE Exam Questions and answers with a 100% chance of appearing in the actual Certified Energy Manager (CEM) exam. The AEE CEM PDF file does not require any installation and is equally suitable for PCs, mobile devices, and tablets. Using a smartphone, you may go through the AEE CEM exam questions whenever and wherever you desire. The CEM PDF files are also printable for making handy notes.

## Pass Guaranteed CEM - Authoritative Visual Certified Energy Manager (CEM) Cert Exam

As far as we know, in the advanced development of electronic technology, lifelong learning has become more accessible, which means everyone has opportunities to achieve their own value and life dream through some ways such as the CEM certification. With over a decade's endeavor, our CEM practice materials successfully become the most reliable products in the industry. There is a great deal of advantages of our CEM exam questions you can spare some time to get to know.

### AEE Certified Energy Manager (CEM) Sample Questions (Q118-Q123):

#### NEW QUESTION # 118

A large office building is entirely fitted out with ten-thousand new T5 fluorescent lamps today, which will be operational for 2,500 hours per year. The lamps are supposed to last 17,860 hours. How many months from today will be the best schedule for group relamping (total replacement of all the T5 fluorescent lamps in the building)?

- A. 60 months
- B. 5 months
- C. 68 months

- D. 85.7 months

Answer: D

#### NEW QUESTION # 119

Air is heated from 10°C (dry bulb temperature) and 80% relative humidity to 32°C (dry bulb temperature). What is the new relative humidity?

- A. 40%
- B. 80%
- C. 60%
- D. 30%
- E. 20%

Answer: E

#### NEW QUESTION # 120

You are using a performance contract to finance the added cost of using more-efficient equipment in the construction of a new building. Which of the following International Performance Measurement and Verification Protocol (IPMVP) options would you use to verify annual energy savings?

- A. Option E - Stipulated savings
- B. Option D - Calibrated simulation
- C. Option C - Whole facility measurement
- D. Option A - Retrofit isolation: key parameter measurement
- E. Option B - Retrofit isolation: all parameter measurement

Answer: C

#### NEW QUESTION # 121

A concentrating solar thermal system collects 5 GJ/h of thermal heat, which is delivered to a 94% efficient hot water generator. The hot water generator is used to raise the water temperature from 15°C to 65°C. The specific heat of water ( $C_p$ ) is 4.2 kJ/kg-°C. What flow rate (liter/second) of hot water can be delivered from the hot water generator?

- A. 9.2 liter/second
- B. 4.2 liter/second
- C. 12.0 liter/second
- D. 6.2 liter/second

Answer: A

Explanation:

Step 1: Compute Useful Thermal Energy Output

Given:

\* Solar system delivers 5 GJ/h

\* Hot water generator efficiency = 94%

□

#### NEW QUESTION # 122

Which of the following statements regarding refrigerants is NOT correct?

5SELECT THE CORRECT ANSWER

- A. R-407C is a blended Hydro Fluoro Carbon or near Azeotropic mixture, and can be used as a replacement for R-22 in commercial applications
- B. R-1234yf is a Hydro Fluoro Olefin with zero ozone depleting potential, and little global warming potential
- C. R-22 is a Hydro Chloro Carbon with significant ozone depleting potential and significant global warming impact
- D. R-32 and R-134a are Hydro Fluoro Carbons with zero ozone depleting potential, and significant global warming impact

- E. R-11 and R-12 are Chloro Fluoro Carbons with significant ozone depleting potential

**Answer: C**

Explanation:

Understanding the environmental impacts of various refrigerants is crucial for energy managers. Let's analyze each statement:  
 A: R-407C is a blended Hydro Fluoro Carbon or near Azeotropic mixture, and can be used as a replacement for R-22 in commercial applications. This statement is correct. R-407C is a blend of HFCs designed to replace R-22 in air conditioning systems.

B: R-11 and R-12 are Chloro Fluoro Carbons with significant ozone depleting potential. This is correct. R-11 and R-12 are CFCs known for their high ozone depletion potential.

C: R-1234yf is a Hydro Fluoro Olefin with zero ozone depleting potential, and little global warming potential. Correct. R-1234yf is an HFO with negligible ozone depletion and low global warming potential.

D: R-22 is a Hydro Chloro Carbon with significant ozone depleting potential and significant global warming impact. This statement is incorrect. R-22 is a Hydrochlorofluorocarbon (HCFC), not a Hydro Chloro Carbon. While it does have ozone-depleting potential, its global warming potential is considered moderate, not significant.

E: R-32 and R-134a are Hydro Fluoro Carbons with zero ozone depleting potential, and significant global warming impact. This is correct. Both R-32 and R-134a are HFCs with no ozone depletion potential but have considerable global warming potential.

Conclusion:

The incorrect statement is D. R-22 is a Hydro Chloro Carbon with significant ozone depleting potential and significant global warming impact. Therefore, the correct answer is D.

## NEW QUESTION # 123

.....

It is well acknowledged that people who have a chance to participate in the simulation for the real CEM exam, they must have a fantastic advantage over other people to get good grade in the CEM exam. Now, it is so lucky for you to meet this opportunity once in a blue. We offer you the simulation test with the Software version of our CEM Preparation dumps in order to let you be familiar with the environment of test as soon as possible.

**CEM Free Sample Questions:** <https://www.actualtests4sure.com/CEM-test-questions.html>

AEE Visual CEM Cert Exam You need comprehensive exam questions to prepare well for the exam, It can be difficult to start studying again and if you are using our CEM pdf dumps, then it will become a lot easier for you to clear your concepts, if you want to have a better experience on the real exam before you go to attend it, you can choose to use the software version of our CEM learning guide which can simulate the real exam, and you can download our CEM exam prep on more than one computer, In some important festivals like Christmas, you can enjoy some discounts if you want to buy our CEM test braindumps.

Wait, my iPad and iPod Touch knows where I am, Power CEM Free Sample Questions Cables and Adapters, You need comprehensive exam questions to prepare well for the exam, It can be difficult to start studying again and if you are using our CEM Pdf Dumps, then it will become a lot easier for you to clear your concepts.

## Free PDF 2026 CEM: Pass-Sure Visual Certified Energy Manager (CEM) Cert Exam

if you want to have a better experience on the CEM real exam before you go to attend it, you can choose to use the software version of our CEM learning guide which can simulate the real exam, and you can download our CEM exam prep on more than one computer.

In some important festivals like Christmas, you can enjoy some discounts if you want to buy our CEM test braindumps, They will offer you the best help with our CEM questions & answers.
