NEW QUESTION # 305

Which is a purpose of the Closing a Project process?

- A. Confirm that all benefits defined in the Business Case have been achieved
- B. Authorize the final stage of the project
- C. Recognize whether objectives set out in the original Project Initiation Documentation have been achieved
- D. Delegate day-to-day management of the end of the project to the Project Manager

Answer: C

NEW QUESTION # 306

Which is a purpose of the 'directing a project' process?

- A. To ensure that work on products allocated to the team is authorized and agreed
- B. To delegate day-to-day management of the project to the project manager
- C. To create and authorize the project mandate
- D. To control the day-to-day running of the project

Answer: B

Explanation:

The purpose of the 'Directing a Project' process in PRINCE2 is to enable the project board to be accountable for the project's success by making key decisions and exercising overall control while delegating the day-to-day management of the project to the project manager. This includes the authority to initiate and close the project, deliver stage boundaries, and be updated on project progress. References: = PRINCE2 7 Foundation handbook and online resources

NEW QUESTION # 307

NEW QUESTION # 308

According to the 'continued business justification' principle, what should happen to the funds when a project can no longer be justified?

- A. They should be returned to corporate, programme management or customer
- B. They should be used to deliver a reduction in the scope of the project
- C. They should be used to create an alternative business case for the project
- D. They should be transferred back to the project board to reassign

Answer: A

Explanation:

According to the 'continued business justification' principle of PRINCE2, if a project can no longer be justified - meaning it no longer meets its original or updated justification for a viable return on investment - the funds allocated to it should be returned to corporate, programme management, or the customer. This ensures that resources are not wasted on unjustifiable projects.
