The CIPP-E certification exam covers the primary privacy laws and regulations of Europe, including the General Data Protection Regulation (GDPR), the ePrivacy Directive, and the EU-US Privacy Shield. CIPP-E exam also covers topics such as privacy program management, information security, data retention, and data transfer mechanisms. CIPP-E exam measures the candidate's knowledge and understanding of the privacy laws and regulations of Europe and their ability to apply this knowledge to real-world scenarios.

IAPP CIPP-E (Certified Information Privacy Professional/Europe) Exam is a certification offered by the International Association of Privacy Professionals (IAPP) for professionals who work in the field of data privacy. CIPP-E Exam is specifically designed for individuals who work in Europe and covers the European Union's General Data Protection Regulation (GDPR). The CIPP-E certification is highly regarded in the industry and is recognized as a standard for privacy professionals in Europe.

To qualify for the CIPP-E certification, candidates must pass an exam that consists of 90 multiple-choice questions. CIPP-E exam is administered by the IAPP and is available online or in-person at testing centers around the world. CIPP-E exam is timed and candidates have two hours to complete it. To prepare for the exam, candidates can take advantage of the IAPP's training courses, study guides, and practice exams.
