There are a lot of experts and professors in or company in the field. In order to meet the demands of all people, these excellent experts and professors from our company have been working day and night. They tried their best to design the best CWAP-405 study materials from our company for all people. By our study materials, all people can prepare for their CWAP-405 exam in the more efficient method. We can guarantee that our study materials will be suitable for all people and meet the demands of all people, including students, workers and housewives and so on. If you decide to buy and use the CWAP-405 Study Materials from our company with dedication on and enthusiasm step and step, it will be very easy for you to pass the exam without doubt. We sincerely hope that you can achieve your dream in the near future by the CWAP-405 study materials of our company.

We are glad to receive all your questions on our CWAP-405 learning guide. If you have any questions about our CWAP-405 study questions, you have the right to answer us in anytime. Our online workers will solve your problem immediately after receiving your questions. Because we hope that you can enjoy the best after-sales service. We believe that our CWAP-405 Preparation exam will meet your all needs. Please give us a chance to service you; you will be satisfied with our CWAP-405 study materials.

CWAP-405 Test Preparation & Valid CWAP-405 Test Dumps

No matter in China or other company, CWNP has great influence for both enterprise and personal. If you can go through examination with CWAP-405 latest exam study guide and obtain a certification, there may be many jobs with better salary and benefits waiting for you. Most large companies think a lot of IT professional certification. CWAP-405 Latest Exam study guide makes your test get twice the result with half the effort and little cost.

CWNP Certified Wireless Analysis Professional Sample Questions (Q69-Q74):

NEW QUESTION # 69

A Management frame body is made up on which two components?

- A. Headers and footers
- **B. Fields and elements**
- C. Preambles and headers
- D. Flags and fields

Answer: B

Explanation:

A management frame body in 802.11 is composed of fixed fields (mandatory, consistent structure) and information elements (variable-length, optional or protocol-specific data). This structure allows flexible communication of network information.

NEW QUESTION # 70

When a data frame is encrypted with WPA2, to which portion of the frame is the encryption applied?

- A. Frame body and MAC Header
- B. Frame body excluding the LLC PDU
- **C. Frame body including the LLC PDU**
- D. The whole MPDU

Answer: C

Explanation:

When a data frame is encrypted with WPA2, the encryption is applied to the frame body including the LLC PDU. The LLC PDU (Logical Link Control Protocol Data Unit) is a part of the frame body that contains information such as protocol type, source and destination service access points (SAPs), and control fields. The LLC PDU is added by the LLC (Logical Link Control) sublayer to provide multiplexing and flow control functions for different upper layer protocols. When a data frame is encrypted with WPA2, which uses AES-CCMP as its encryption algorithm, both the payload and the LLC PDU are encrypted as a single unit. The MAC header and FCS are not encrypted, as they are needed for addressing and error detection purposes. References: [Wireless Analysis Professional Study Guide CWAP-405], Chapter 5: 802.11 MAC Sublayer, page 115-116

NEW QUESTION # 71

When a 5 GHz HT station in a 40 MHz BSS desires to protect a 40 MHz transmission from an OFDM station using an RTS/CTS or CTS-to-Self exchange, what frame format is used for the RTS and/or CTS frames?

- A. HT-greenfield format
- **B. Non-HT Duplicate**
- C. Phased Coexistence PPDU
- D. Dual-CTS
- E. HT-mixed format

Answer: B

NEW QUESTION # 72

As a network Administrator, you have recently deployed a new wireless VoIP network. You have provisioned a separate SSID for the VoIP phones with 802.1X/PEAP authentication and enabled 802.11r FT for fast roaming. Your VoIP phones also support FT roaming and you have made sure it is enabled in the device profile. What type of 802.11 Authentication would you expect the VoIP phones to perform first when connecting to the network?

- A. Open System
- **B. Fast Transition (FT)**
- C. Shared Key
- D. Simultaneous Authentication of Equals (SAE)

Answer: B

Explanation:

With 802.11r Fast BSS Transition enabled, the VoIP phones will perform FT authentication first. FT allows pre-authentication and key establishment with the target AP, enabling faster and seamless roaming compared to traditional Open System authentication.

NEW QUESTION # 73

During a VHT Transmit Beamforming sounding exchange, the beamformee transmits a Compressed Beamforming frame to the beamformer. What is communicated within this Compressed Beamforming frame?

- A. Beamformee Matrix
- B. Steering Matrix
- C. Feedback Matrix
- D. Beamforming Matrix

Answer: C

Explanation:

During a VHT transmit beamforming sounding exchange, the beamformee measures the channel from the beamformer and reports channel state information back in a Compressed Beamforming frame. This frame contains compressed feedback that represents the channel characteristics, enabling the beamformer to calculate the appropriate steering matrix for optimized transmission.

NEW QUESTION # 74

.....

Eliminates confusion while taking the CWNP CWAP-405 certification exam. Prepares you for the format of your CWAP-405 exam dumps, including multiple-choice questions and fill-in-the-blank answers. Comprehensive, up-to-date coverage of the entire Certified Wireless Analysis Professional (CWAP-405) certification curriculum. CWNP CWAP-405 practice questions are based on recently released CWAP-405 exam objectives.
