Exam NCP-EUC Vce & Valid NCP-EUC Practice Materials

Real4exams is benefiting more and more candidates for our excellent NCP-EUC exam torrent which is compiled by the professional experts accurately and skillfully. We are called the best friend on the way with our customers to help pass their NCP-EUC exam and help achieve their dreaming certification. The reason is that we not only provide our customers with valid and Reliable NCP-EUC Exam Materials, but also offer best service online since we uphold the professional ethical. So you can feel relax to have our NCP-EUC exam guide for we are a company with credibility.

Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam Sample Questions (Q88-Q93):

NEW QUESTION # 88

An administrator is trying to add a Nutanix cluster as a new connection, but connection name Nutanix AHV is not listed in the Connection type menu.

What should the administrator do to resolve this issue?

- A. Install the Nutanix AHV plugin for Citrix Director on Storefront Servers.
- B. Install the Nutanix AHV plugin for Citrix on all Storefront.
- C. Install the Nutanix AHV plugin for Citrix controllers.
- D. Install the Nutanix AHV plugin for Citrix Director on Delivery controllers.

Answer: C

Explanation:

This is because this option will enable the administrator to add a Nutanix cluster as a new connection by installing and registering the plugin on the Delivery Controllers that manage the connection type menu.

NEW QUESTION # 89

A multisite App Volumes deployment uses a stretched database over multiple Horizon View sites.

Non-Attachable volumes will be used to support replication of AppStacks between blocks and pods.

What should the administrator do to be able to replicate AppStacks between the Nutanix clusters?

- A. Utilize the native async disaster recovery technology to replicate the AppStacks between the Nutanix clusters.
- B. storage container on the primary cluster to at least one host in other Nutanix clusters,
- C. Leverage an external storage system such as NFS NAS to support the non-attachable
- D. Replicate the .vmdk files and AppStacks permissions using a script between the Nutanix clusters,

Answer: A

Explanation:

regarding replicating AppStacks between Nutanix clusters, it is likely that the correct answer would involve configuring some form of replication or disaster recovery technology on the Nutanix clusters themselves.

NEW QUESTION # 90

An administrator has received multiple tickets from users experiencing log-on and log-off slowness while using VDI non-persistent desktops, other users in same VDI farm using persistent desktops are not experiencing the same issue.

Currently, the administrator is leveraging an ESXi-based Nutanix all-flash cluster environment with a VMware Horizon Infrastructure.

What is causing the slowness for the non-persistent users?

- A. Network slowness due to high latency
- B. Desktops don't have enough hardware resources.
- C. Nutanix AOS software running older versions.
- D. user accounts configured with Roaming Profiles

Answer: D

Explanation:

roaming profiles are a way to deliver user settings across physical and virtual desktops. However, they can also cause issues such as profile unload failures² and slow log-on and log-off times¹.

NEW QUESTION # 91

An administrator receives many complaints about increased boot times from a WI user over the past few days.

Upon further review, the administrator discovers delays in the deployments of VDI desktops. The administrator could not find any indications that the cluster resources are insufficient.

What should the administrator verify to resolve this issue?

- A. If Memory Overcommitment was disabled
- B. Erasure Coding was disabled
- C. If Shadow Clone was disabled
- D. If a node failed

Answer: C

Explanation:

Shadow Clones are a feature of the AOS storage that enables distributed caching of virtual disks (vDisks) that are read by multiple VMs on different nodes. This can improve performance and reduce network traffic in scenarios such as VDI deployments.

Therefore, if Shadow Clones were disabled, it could cause delays in the deployments of VD desktops, as they would have to read the vDisk from a remote node instead of a local cache.

NEW QUESTION # 92

An administrator has been asked to enable multi-monitor support for a graphic designer that needs to be able to use four monitors. After onboarding the designer on to the Frame desktop, the end user does not see the ability to use all four monitors while using the Firefox web browser.

What should the administrator do to enable the ability to use all four monitors?

- A. Switch to Chrome
- B. Switch to Edge
- C. Switch to Safari
- **D. Deploy Frame App**

Answer: D

Explanation:

According to Nutanix documentation, to use more than two monitors with Frame, you need to deploy the Frame App. The Frame App provides multi-monitor support, whereas using Frame through web browsers is currently limited to two monitors. Frame App is a native application that provides a better user experience for accessing Frame desktops and applications than a web browser. Frame App supports the Frame multi-monitor feature automatically. If an end user has more than one monitor attached to their device, Frame App prompts the user if they want to use all of their monitors. Frame Administrators do not have to enable explicitly multi-monitor support for Frame App users.

NEW QUESTION # 93

.....

Knowledge makes prominent contributions to human civilization and progress. In the 21st century, the rate of unemployment is increasing greatly. Many jobs are replaced by intelligent machines. You must learn practical knowledge such as our NCP-EUC actual test guide, which cannot be substituted by artificial intelligence. In addition, you do not need to purchase other reference books. Our NCP-EUC Exam Questions are able to solve all your problems of preparing the exam. Of course, our study materials are able to shorten your learning time. You will have more spare time to do other things. And we can ensure you to pass the NCP-EUC exam.

Exam NCP-EUC Vce: https://www.real4exams.com/NCP-EUC_braindumps.html

With the complete collection of questions and answers, Real4exams has assembled to take you through Q&As to your NCP-EUC Exam preparation, Our experts have specialized in Nutanix Exam NCP-EUC Vce technology and constantly upgraded the system to offer you the Exam NCP-EUC Vce - Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam latest test dumps, Real4exams Exam NCP-EUC Vce's router, switch and station simulation components contained within the software are the most advanced in the industry.

For that, you have only me to blame, Finishing Up the Player, With the complete collection of questions and answers, Real4exams has assembled to take you through Q&As to your NCP-EUC Exam Preparation.

Pass Guaranteed Nutanix - Accurate NCP-EUC - Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam Reliable Test Blueprint

Our experts have specialized in Nutanix technology Exam NCP-EUC Vce and constantly upgraded the system to offer you the Nutanix Certified Professional - End User Computing (NCP-EUC) 6.10 Exam latest test dumps, Real4exams's router, switch and station simulation NCP-EUC components contained within the software are the most advanced in the industry.

Then our NCP-EUC study materials will help you overcome your laziness, Real4exams's Nutanix NCP-EUC web-based and desktop practice tests provide you with an Nutanix actual test scenario, allowing you to experience the NCP-EUC final test conditions.
