Certified Data Centre Specialist (CDCS) Exam Training Guide Improve Your Efficiency - DumpsTests

The CDCS-001 training prep you see on our website are definitely the highest quality learning products on the market. Of course, the correctness of our CDCS-001 learning materials is also very important, after all, you are going to take the test after studying. And a lot of our worthy customers praised our accuracy for that sometimes they couldn't find the CDCS-001 Exam Braindumps on the other websites or they couldn't find the updated questions and answers. Just buy our CDCS-001 study guide and you won't regret!

GAQM Certified Data Centre Specialist (CDCS) Sample Questions (Q58-

Q63):

NEW QUESTION # 58

Which one of the following controls the voltage produced at the output of the alternator?

- A. Voltage Meter
- B. Voltage Stabilizer
- C. Voltage Backup Device
- **D. Voltage Regulator**

Answer: D

Explanation:

Explanation

A voltage regulator controls the voltage produced at the output of the alternator. It's a device that maintains the output voltage of an alternating current (AC) power source within a safe range. The voltage regulator compares the actual output voltage to the desired voltage level and adjusts the voltage accordingly.

Voltage Meter, Voltage Stabilizer, and Voltage Backup Device are not devices that control the voltage produced at the output of the alternator. They are different types of equipment and have different functions.

A voltage meter is a device used to measure the voltage in an electrical circuit. A voltage stabilizer is an electronic device that maintains a constant voltage level. A voltage backup device is a device that provides temporary backup power in case of an electrical outage.

NEW QUESTION # 59

Which one of the following is an advantage of using Natural Gas?

- **A. Minimum carbon build up**
- B. Tends to cost more
- C. More exhaust able
- D. Maximum carbon build up

Answer: A

Explanation:

Explanation

The main advantage of using natural gas is that it tends to produce fewer carbon emissions than other fossil fuels, such as coal or oil. Natural gas combustion produces less carbon dioxide and other pollutants than other fuels, making it a cleaner and more renewable source of energy. Additionally, natural gas costs less than other fuels, making it a more cost-effective option.

NEW QUESTION # 60

Which power distribution component is often used when many electrical devices are enclosed proximity especially with audio, video and computers?

- A. Backup server
- **B. Power distribution units (PDU)**
- C. Outlet strips
- D. Server plug

Answer: B

Explanation:

Explanation

The best option for enclosing many electrical devices in proximity, especially with audio, video and computers, is Power Distribution Units (PDUs). PDUs are designed to provide power to multiple devices using a single power source, such as a wall outlet or a generator, while providing protection against power surges.

PDUs are generally equipped with multiple outlets to allow for a variety of electrical devices to be connected and powered simultaneously.

NEW QUESTION # 61

Which one of the following is an advantage of using Natural Gas?

- A. Minimum carbon build up
- B. Tends to cost more
- C. More exhaust able
- D. Maximum carbon build up

Answer: A

Explanation:

The main advantage of using natural gas is that it tends to produce fewer carbon emissions than other fossil fuels, such as coal or oil. Natural gas combustion produces less carbon dioxide and other pollutants than other fuels, making it a cleaner and more renewable source of energy. Additionally, natural gas costs less than other fuels, making it a more cost-effective option.

NEW QUESTION # 62

Which one of the following measures the real power drawn by the load equipment?

- A. Amperes
- B. Amps
- C. Volts
- D. Watts

Answer: D

Explanation:

Explanation

Watts measures the real power drawn by the load equipment and is determined by multiplying the volts and amps of the load

NEW QUESTION # 63

.....

Three versions are available for CDCS-001 study materials, so that you can get the version you want according to your own needs. CDCS-001 PDF version is printable, and you can study anytime and anyplace. CDCS-001 Online test engine is convenient and easy to learn, it supports all web browsers, and you can use in your phone, Android and IOS both ok. One of outstanding features of CDCS-001 Online soft test engine is that it has testing history and performance review, and you can have a general review of what you have learned before next training. CDCS-001 Soft test engine can be used in more than 200 computers, and you use this version in your computer, and it supports MS operating system
