

High Designing Cisco Security Infrastructure passing score, 300-745 exam review

300-745 practice materials stand the test of time and harsh market, convey their sense of proficiency with passing rate up to 98 to 100 percent. They are 100 percent guaranteed 300-745 learning quiz. And our content of the 300-745 Exam Questions are based on real exam by whittling down superfluous knowledge without delinquent mistakes. At the same time, we always keep updating the 300-745 training guide to the most accurate and the latest.

One of features of 300-745 training materials of us is that we can help you pass the exam just one time, and we also pass guarantee and money back guarantee for you fail to pass the exam. You just need to send your failure scanned to us, and we will give you full refund. In addition, 300-745 exam dumps contain both questions and answers, which can help you have a quickly check after you finish your practice. We also have online and offline chat service stuff, they possess the professional knowledge about the 300-745 Training Materials, if you have any questions just contact us.

High-quality Trustworthy 300-745 Exam Torrent, Ensure to pass the 300-745 Exam

Our practice exams are designed solely to help you get your 300-745 certification on your first try. A Cisco 300-745 practice test will help you understand the exam inside out and you will get better marks overall. It is only because you have practical experience of the exam even before the exam itself. ValidVCE offers authentic and up-to-date study material that every candidate can rely on for good preparation. Our top priority is to help you pass the Designing Cisco Security Infrastructure (300-745) exam on the first try. The key to passing the 300-745 exam on the first try is vigorous practice. And that's exactly what you'll get when you prepare from our material. Each format excels in its own way and helps you get success on the first attempt.

Cisco Designing Cisco Security Infrastructure Sample Questions (Q23-Q28):

NEW QUESTION # 23

A global marketing firm, based in California with customers on every continent, suffered a data breach that exposed employee and customer PII. Which regulations is the company in danger of violating?

- A. ISO SP800-53
- **B. GDPR**
- C. ISO27001
- D. FedRamp

Answer: B

Explanation:

Since the company serves customers on every continent, including the European Union, exposing customer PII puts it at risk of violating the General Data Protection Regulation (GDPR).

GDPR applies globally to any organization handling EU residents' personal data, regardless of where the company is based.

NEW QUESTION # 24

A retail company is facing a series of cyberattacks targeting the web servers, which results in disruptions to the online services. Upon investigation, the security team identified that these attacks involved invalid HTTP request headers, which were used to exploit vulnerabilities in the web application. To safeguard the company websites against similar threats in the future, the security team must deploy a security solution specifically designed to detect and block such malicious web traffic. Which security product must be used to protect the websites from similar attacks?

- A. antivirus software
- B. host-based firewall
- C. traditional firewall
- D. web application firewall

Answer: D

Explanation:

A Web Application Firewall (WAF) is specifically designed to protect web servers and applications against attacks such as malformed HTTP requests, invalid headers, and injection attempts. By inspecting HTTP traffic, it blocks malicious requests before they reach the application, safeguarding the company's websites from similar disruptions.

NEW QUESTION # 25

A video game company identified a potential threat of a SYN flood attack, which could disrupt the online gaming services and impact user experience. The attack can overwhelm network resources by exploiting the TCP handshake process, leading to server unavailability and degraded performance. To safeguard the company's infrastructure and ensure uninterrupted service, it is essential to enhance the security measures in place. The company must implement a solution that manages and mitigates the risk of such network-based attacks. Which security product must be implemented to mitigate similar risks?

- A. Cisco Web Security Appliance
- B. Cisco Umbrella
- C. Cisco Secure Endpoint
- D. Cisco Secure Firewall

Answer: D

Explanation:

A SYN flood attack is a type of DoS/DDoS attack targeting the TCP handshake process. The correct mitigation is deploying a Cisco Secure Firewall, which includes advanced intrusion prevention, SYN flood protection, and traffic management capabilities to prevent resource exhaustion and keep services available.

NEW QUESTION # 26

Employees in a healthcare organization could not access their devices when they returned to work after the weekend. The security team discovered that a threat actor had encrypted the devices. Which security solution would mitigate the risk in future?

- A. data loss prevention
- B. network configuration management
- C. endpoint detection and response
- D. password policy enforcement

Answer: C

Explanation:

Endpoint Detection and Response (EDR) provides continuous monitoring, detection, and automated response to suspicious activity on devices. It can identify and stop ransomware attacks before encryption occurs, mitigating the risk of device lockouts in the future.

NEW QUESTION # 27

A manufacturing company implemented IoT devices throughout their smart factory and needs a security solution that meets these requirements:

- Protect IoT devices from network-based attacks.
- Visibility into communication patterns.
- Anomaly detection for IoT traffic.

Which firewall technology or feature should be recommended?

- A. transparent firewall
- **B. IPS/IDS**
- C. zone-based firewall
- D. traditional firewall

Answer: B

Explanation:

An Intrusion Prevention/Detection System (IPS/IDS) provides visibility into IoT communication patterns, protects against network-based attacks, and uses anomaly detection to identify abnormal IoT traffic behaviors. This makes it the most effective solution for securing IoT devices in a smart factory.

NEW QUESTION # 28

.....

Our 300-745 study materials have enough confidence to provide the best 300-745 exam torrent for your study to pass it. With many years work experience, we have fast reaction speed to market change and need. In this way, we have the latest 300-745 guide torrent. You don't worry about that how to keep up with the market trend, just follow us. We can say that our 300-745 Test Questions are the most suitable for examinee to pass the 300-745 exam, you will never regret to buy it.
